**FINANCIAL ANALYST**

Salary Range: \$ 67,656 to \$ 87,322 per annum

Classification: Finance

***Permanent Position***

**Metrolinx** is responsible for leading the planning, development, implementation and financing of an integrated multi-modal transportation network for the Greater Toronto and Hamilton Areas (GTHA). Taking a regional approach, Metrolinx will bring together the province, municipalities and transit authorities to produce long-term, economically and environmentally sustainable transportation solutions.

Within this context, Metrolinx is currently looking for a highly motivated individual with strong leadership and analytical skills to manage a broad range of financial and budget management and procurement functions for the organization. As the senior financial specialist, you will provide a broad scope of services including managing the annual budget allocation process, coordinating forecasting and expenditures reporting requirements, providing financial analysis, managing all procurement activities and preparing reports/presentations. You will also be expected to lead projects for the development of financial policies and processes and provide strategic financial and procurement advice to support the delivery of program services.

**Location:** 20 Bay Street, Toronto

**Qualifications:**

As the successful candidate, you will possess an extensive knowledge and experience in provincial government financial and business planning and management (involving both capital and operating budgets) including accounting systems and procedures (i.e. PSAB accounting), budget and expenditure reporting and financial analysis, as well as procurement and contract management processes. You will also have excellent planning and analytical skills and strong consultation, negotiation and presentation skills coupled with people management strengths to deal with a range of internal and external clients and stakeholders. You must also be able to respond quickly to changes in direction and assess the impacts on the organization in a high pressure, start up environment.

Please submit resume and cover letter no later than 15/02/2008 to:
