1. **Call to Order and Remarks by the Chair**

Chair MacIsaac called the meeting to order at 1:05 p.m.

Regrets were received from Elyse Allan and Tony Gagliano.

Chair MacIsaac confirmed there was quorum and that the required notice of the meeting as stipulated under the By-Law No. 1 of the Corporation had been sent.

2. **CEO’s Report**

Rob Prichard, President and CEO presented the CEO’s report to the Board. Mr. Prichard noted the progress that has been made by Metrolinx since the last Board meeting, including the approval of the 5-in10 plan as well as moving forward with the order for 180 light rail vehicles.

Mr. Prichard also noted the inclusion in the Board materials of a report relating to the extension of the Sheppard LRT to University of Toronto Scarborough Campus on Morningside Avenue. Mr. Prichard emphasized that this potential project is not included in the funding for the 5-in-10 plan and that the report is intended to show the Board what it would look like if it were funded in the future.

3. **Managing Director’s Report**

Gary McNeil, Managing Director, GO Transit, Executive Vice President, Metrolinx, presented his report to the Board. He reported that GO Transit’s on-time performance continues to improve. In addition, he noted that more than 5300 parking spaces were added to GO facilities in 2009. Mr. McNeil also provided a G20 debrief, reporting that while Union Station was temporarily shut down on June 26, GO Transit otherwise continued to provide service throughout the weekend. He noted that, notwithstanding protest activity, very little damage was caused to the GO system. Mr. McNeil also notified the Board of several upcoming customer appreciation days.

4. **Benefits Case Analysis**

John Howe, Vice President Investment Strategy and Project Evaluation presented the Benefits Case Analyses for the GO Stouffville Corridor, Durham Highway 2 Corridor, Halton-Peel Dundas Corridor, Peel Hurontario-Main Corridor to the Board.

Chair MacIsaac acknowledged the attendance of Mayor Susan Fennell, Mayor of the City of Brampton and Mayor Hazel McCallion, Mayor of the City of Mississauga, and invited both Mayors to address the Board. Mayor Fennell indicated her support for the results of the Hurontario-Main Corridor BCA. Mayor McCallion indicated her support for the results of the Hurontario-Main Corridor BCA and the Dundas BCA.
RESOLVED:

THAT the Metrolinx Board receive and approve for public release the Business Case Analysis (“BCA”) reports for the Dundas, Durham-Scarborough and Hurontario-Main and the GO Stouffville rapid transit projects;

AND THAT the Board direct staff to:

• Input the BCA findings for all four projects into the Metrolinx Project Prioritization Framework and 10-Year Provincial Infrastructure Plan currently under development;

• Input BCA findings for the GO Stouffville Corridor into the Metrolinx Electrification Study of the GO Transit rail system;

• Work with municipal partners to advance the Dundas, Durham-Scarborough and Hurontario-Main projects to meet planning, design and engineering (PDE) and environmental assessment (EA) requirements, and to strengthen the cost confidence process and maintain these projects in a high state of implementation readiness;

• Focus the PDE workplans on Bus Rapid Transit (BRT) options for the Dundas and Durham-Scarborough projects, allowing for a future transition to Light Rail Transit (LRT) in the long term; and on Light Rail Transit (LRT) options for the Hurontario-Main project;

• Work in partnership with Halton, Burlington, Oakville, Mississauga and Toronto to develop a “service strategy” for the Dundas rapid transit corridor;

• Work in partnership with the City of Brampton to implement a BCA evaluation of the Queen Street Zum Corridor, a key network complement to the Hurontario-Main Corridor; and

• Report back on PDE progress for the Dundas, Durham-Scarborough and Hurontario-Main projects in early 2011.
