Hi Bruce:

I received this message in response to the email of Mr. Heisey,

**From:** "CEO (Metrolinx)" <[CEO@metrolinx.com](mailto:CEO@metrolinx.com)>  
**Date:** January 13, 2016 at 2:25:10 PM EST  
**To:** Alan Heisey [REDACTED]  
**Subject:** Automatic Reply

Thank you for your email to the CEO of Metrolinx.

It will be reviewed and assigned to the appropriate business unit for consideration.

Thank you.

OFFICE OF THE CEO

I do hope this is a "standard" response and that this will be sent to the board meeting tomorrow. It seems to me that your report recommending the naming of the LRT station in question relied on the recommendations of the TTC. As such, in my view, this reconsideration is material to the boards decision making.

Thanks for your consideration

Denzil Minnan-Wong  
Commissioner for the TTC

Subject: FW: Naming of Crosstown LRT Stations - Metrolinx Board Meeting January 14 meeting

This email just came in regarding the Crosstown naming report, from the TTC Board Vice Chair.

Thanks,

Lena
