

**MINISTER'S NOTICE TO
PROCEED WITH TRANSIT PROJECT**

Ontario Regulation 231/08

SUBSECTION 12(1)(a)

RE: Proponent: Metrolinx

Project Description: The proposed construction of infrastructure to enable the electrification of six GO rail corridors as described in the Environmental Project Report. The Project will include power supply infrastructure, power distributing infrastructure and modifications to existing structures to allow for the necessary electrification components.

In accordance with subsection 12(1)(a) of Ontario Regulation 231/08, I hereby give notice allowing Metrolinx to proceed with the GO Rail Network Electrification in accordance with the applicable environmental project report.

Metrolinx is now permitted to issue a statement of completion of the transit project assessment process. A statement of completion is the final part of the transit project assessment process. The process must be completed prior to the start of the construction phase of the project.

Dated the 11 day of Dec., 2017 at TORONTO.
