

# Notice for Site Access Construction

Late May 2020

## What work is taking place?

As part of the construction of the Davenport Diamond Grade Separation Project, the constructor will be working on site access points. These routes will help the construction team to safely access the sites throughout the term of the project.

## WHEN

The work is scheduled to start late May and last for approximately five weeks. Please note these dates are tentative, and work could be rescheduled due to weather conditions.

## WHERE

Site access construction will take place at Wade Avenue, Paton Road and Antler Street. Most of this work will occur from the roadside. Some work can also be expected on Campbell Avenue and Lansdowne Avenue in preparation for site set-up and access.

## WORKING HOURS

This work is scheduled to take place in the corridor from 7 a.m. to 7 p.m. on weekdays.

Noise disruption can be expected. The work will comply with the allowable noise limits as per the Metrolinx contract. We apologize in advance for any inconvenience, and we'll make every effort to minimize disruption as much as possible.
