

TRANSFORMING TRANSIT IN YOUR AREA

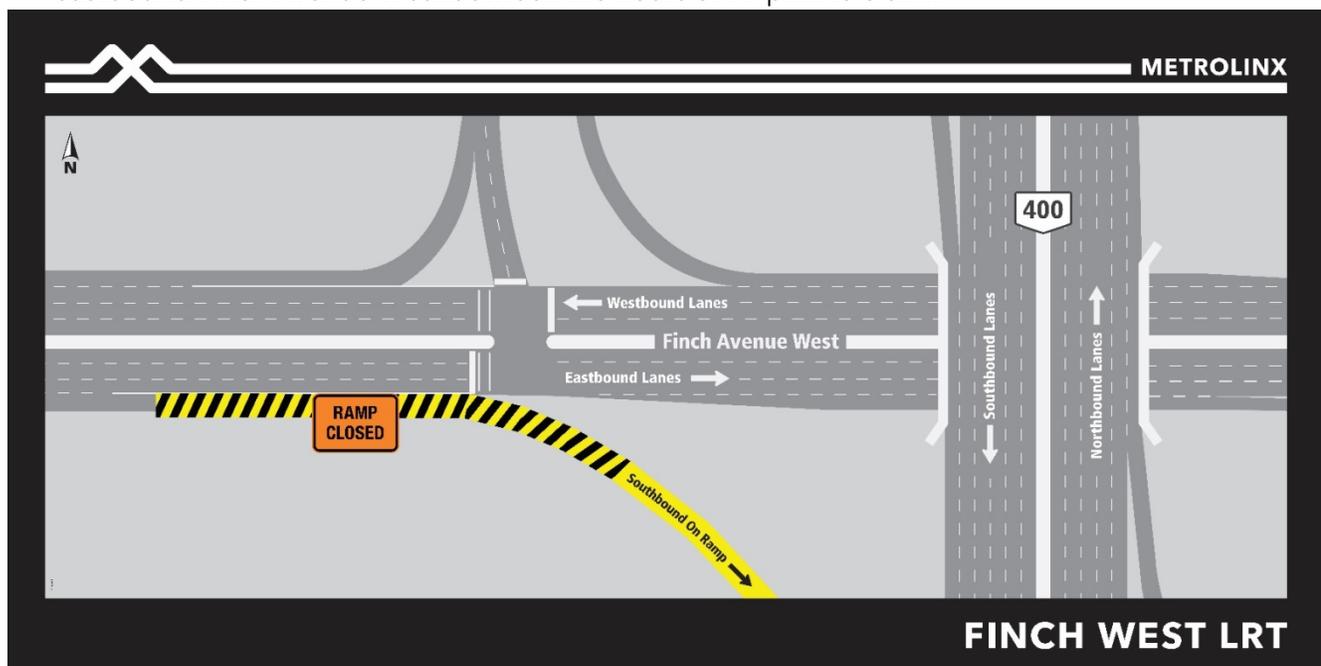

FINCH WEST LIGHT RAIL TRANSIT (LRT)

Information as of June 17, 2019

Traffic Alert: On-ramp to Highway 400 Southbound from Eastbound Finch Avenue West to be Closed Overnight (June 25 to 29)

The Finch West Light Rail Transit (LRT) is an 11km LRT running along Finch Avenue West between Keele Street and Humber College. The Finch West LRT will increase capacity and reliability of service along the route, while significantly reducing travel times for transit users on the corridor.

What: A construction crew will be drilling boreholes at the southbound on-ramp to Highway 400 at eastbound Finch Avenue West between the hours of 11 p.m. to 5 a.m.

Why: Overnight closures of the on-ramp will take place to allow a crew to assess ground and soil conditions for the design of a new multi-use pedestrian path that will be constructed on the southside of Finch Avenue West as part of the Finch West LRT project.
