

TRANSFORMING TRANSIT IN YOUR AREA

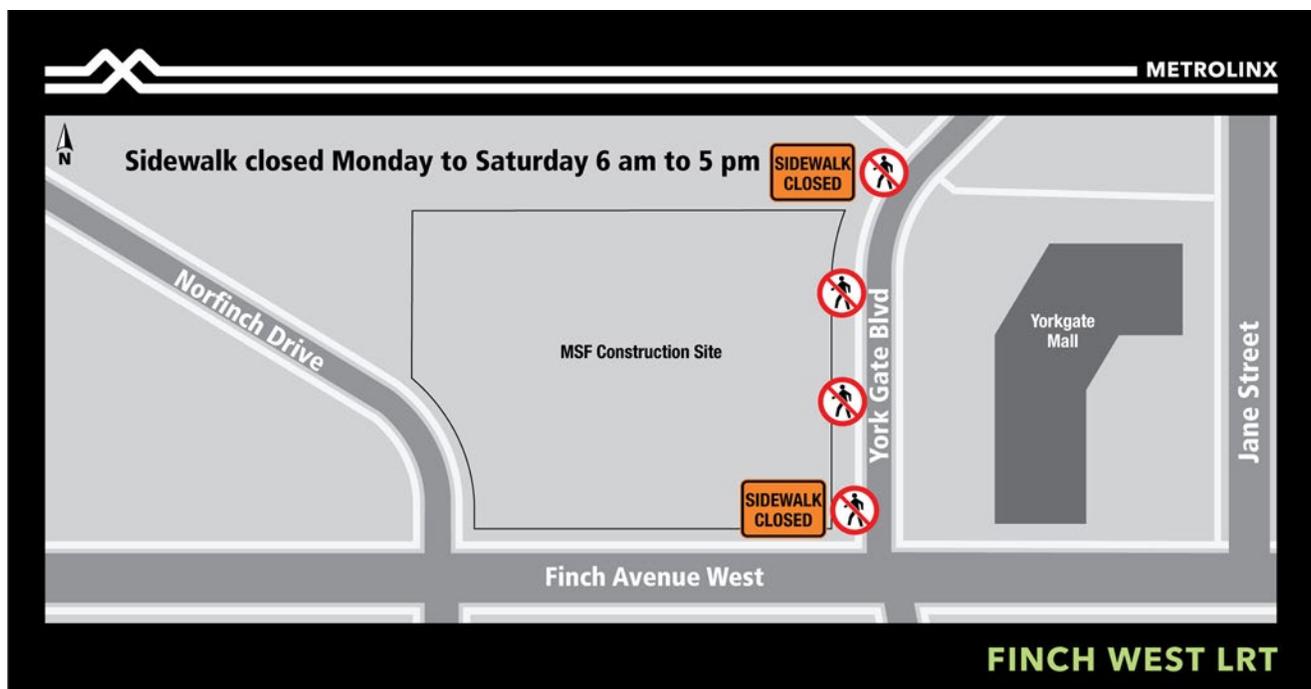

FINCH WEST LIGHT RAIL TRANSIT (LRT)

Information as of July 22, 2019

Sidewalk closure: Intermittent sidewalk closure on the west side of York Gate Boulevard at Finch Avenue West

The Finch West Light Rail Transit (LRT) is an 11km LRT running along Finch Avenue West between Keele Street and Humber College. The Finch West LRT will increase capacity and reliability of service along the route, while significantly reducing travel times for transit users on the corridor.

What: The west sidewalk on York Gate Boulevard will be closed temporarily during business hours from the traffic light at Finch Ave. West to the next traffic light north on York Gate Boulevard.

Why: As the truck entrance to this site is close to the intersection of Finch Avenue West and York Gate Boulevard, for public safety, the City of Toronto has approved the closure of the west sidewalk in front of the work site during heavy truck traffic.
