

TRANSFORMING TRANSIT IN YOUR AREA

FINCH WEST LIGHT RAIL TRANSIT (LRT)

Information as of August 1, 2019

Traffic Alert: On-ramps to Highway 400 from Finch Ave. West to be Closed Overnight (August 6 to 8, 2019)

The Finch West Light Rail Transit (LRT) is an 11-km LRT line running along Finch Avenue West between Keele Street and Highway 27. When complete, it will increase transit capacity and service reliability along the route, while significantly reducing travel times for transit users on the corridor.

What: A construction crew will be installing concrete barriers at the southbound and northbound on-ramps to Highway 400 at Finch Avenue West between the hours of 11 p.m. to 5 a.m.

Why: Overnight closures of the on-ramps will take place to allow a crew to install the concrete barriers to protect workers and motorists during works to rehabilitate the Highway 400 bridge, which is included in the Finch West LRT project.

TRANSFORMING TRANSIT IN YOUR AREA

FINCH WEST LIGHT RAIL TRANSIT (LRT)

Hours of Work

- Work is expected to start as early as Tuesday August 6, 2019 and last for approximately three (3) nights.
- Work will take place between 11:00 p.m. and 5:00 a.m. and may be delayed due to weather conditions or unforeseen circumstances.

What to Expect

- Installation of concrete barriers overnight at the on-ramp to southbound Highway 400 on the eastbound side of Finch Avenue West.
- Installation of concrete barriers overnight at the on-ramp to northbound Highway 400 on the westbound side of Finch Avenue West.
- Nearby residents and businesses can expect to see heavy trucks and equipment in the area.
- Please take care when travelling near work sites.

Traffic Impacts

- Overnight closure of the on-ramp to southbound Highway 400 on the eastbound side.
- Overnight closure of the on-ramp to northbound Highway 400 on the westbound side
- Through lanes on the eastbound and westbound sides of Finch Avenue West will remain open to traffic.
