

TRANSFORMING TRANSIT IN YOUR AREA

FINCH WEST LIGHT RAIL TRANSIT (LRT)

Information as of August 8, 2019

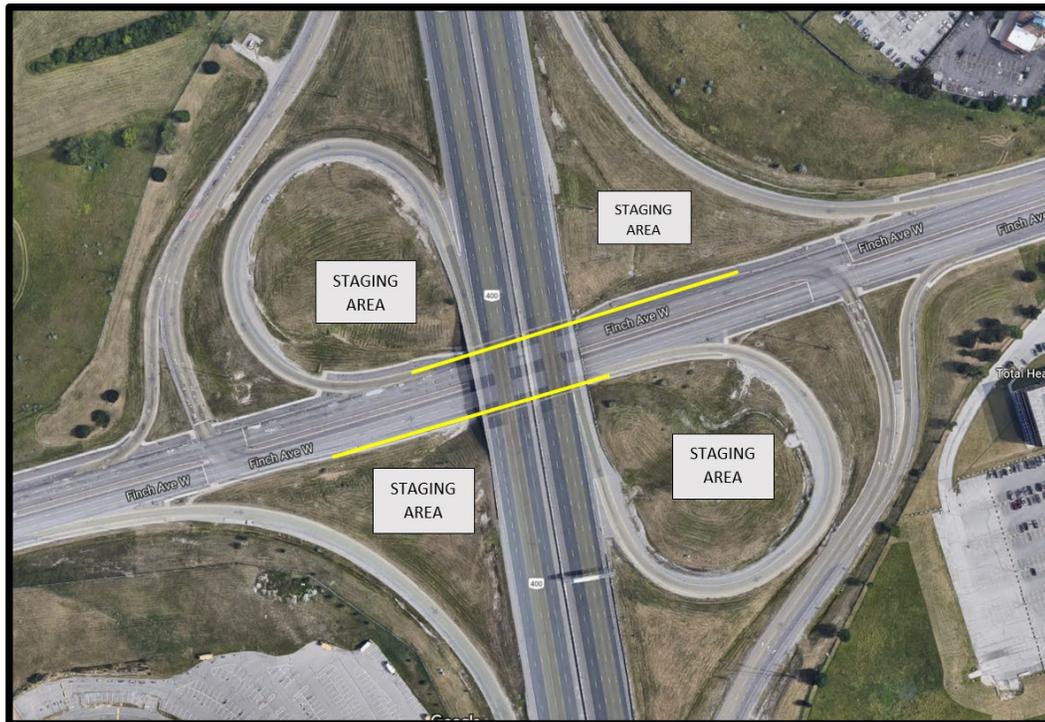

Traffic Alert: Partial lane reductions on the northbound and southbound on-ramps to Highway 400

The Finch West Light Rail Transit (LRT) is an 11-km LRT line running along Finch Avenue West between Keele Street and Highway 27. When complete, it will increase transit capacity and service reliability along the route, while significantly reducing travel times for transit users on the corridor.

What: Partial lane reductions of the Finch Ave West westbound on-ramp to Highway 400 southbound, and from the Finch Ave West eastbound on-ramp to Highway 400 northbound.

When: Starting as early as August 13, 2019 for approximately 4 weeks. These partial lane reductions will occur between 7 am and 5 pm, when required.

Why: To prepare the staging areas adjacent to the highway where new bridge decks for the Highway 400 bridge over Finch Ave West will be constructed. Works include excavation and related construction activities. To protect workers and motorists, there will be partial lane reductions at affected on-ramps and periodic short-term lane closures on Finch Avenue.

TRANSFORMING TRANSIT IN YOUR AREA

FINCH WEST LIGHT RAIL TRANSIT (LRT)

Hours of Work

- Work is expected to start as early as Tuesday August 13, 2019 and last for approximately four (4) weeks.
- Work may be delayed due to weather conditions or unforeseen circumstances.

What to Expect

- Short duration partial lane reductions of the on-ramp from Finch Ave West eastbound to Highway 400 northbound.
- Short duration partial lane reductions of the on-ramp from Finch Ave West westbound to Highway 400 southbound.
- Access to Highway 400 will remain open.
- Flag people will be in place when required.
- Pedestrians will be accommodated through the work area.
- Heavy trucks and equipment will be active in the area.
- Please take care when travelling or walking near work sites.

Traffic Impacts

- For short durations, partial lane reductions of the affected on-ramps.
