

TRANSFORMING TRANSIT IN YOUR AREA

Information as of September 4, 2019

Notice of tree removals

The Finch West Light Rail Transit (LRT) is an 11-km LRT running along Finch Avenue West between Keele Street and Highway 27. When complete, it will increase capacity and reliability of service along the route, while significantly reducing travel times for transit users on the corridor.

What: As part of the construction of the Finch West LRT, tree removals are required on Hwy 27 and along Finch Ave West. Mosaic Transit Group (MTG), our constructor worked with an arborist to determine the trees that are to be removed. Tree protection fences will be placed around trees adjacent to work areas.

All removals have been approved by the City of Toronto. Upon completion of the Finch West LRT project, new trees will be planted in compliance with the City of Toronto’s Tree Replacement Policy. The quantity and location of replacement trees will be decided with the City

When: The trees are scheduled for removal starting in early September 2019, weather permitting.

Where: On the east and west sides of Hwy 27 between Humber College Blvd and Finch Ave. W as well the north and south sides of Finch Ave W between Hwy 27 and Silver Stone Dr (Fig. 1); and along Finch Ave W, from east of Tobermory Dr. to Tangiers Dr. (Fig. 2)

Work Hours: Between 7:00 am to 7:00 pm, including weekends.

What to Expect:

- Tree removals on the north and south sides of Finch Ave. W between Hwy 27 and Silver Stone Dr.; on the east and west sides of Hwy 27 between Humber College Blvd and Finch Ave. W. (Fig.1); and along Finch Ave W., east of Tobermory Dr. to Tangiers Dr. (Fig. 2)
- Residents and businesses nearby should anticipate noise from chainsaws and woodchippers for the removal of trees.
- In addition to construction activity, residents can expect to see equipment and material storage within designated work zones.

Pedestrian and Traffic Details:

- Short-term, one-lane closures, as required.
- Pedestrian access will be maintained.
- **During the works, for your safety, please do not use backyard gates to Hwy 27.**
- Please take care when travelling near work sites.

Contact: For more information about the tree removals on the Finch West LRT project, please contact the Metrolinx Finch West LRT Community Relations Team at 416-202-6500 or email finchwest@metrolinx.com. You can also visit the community office at 2540 Finch Ave. W.
