

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of September 16, 2019

What is the Finch West Light Rail Transit?

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at Finch West subway. As well, it will have a below-grade terminal stop at Humber College, connecting to other local transit services like GO, Miway, Viva, and Züm. It will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto.

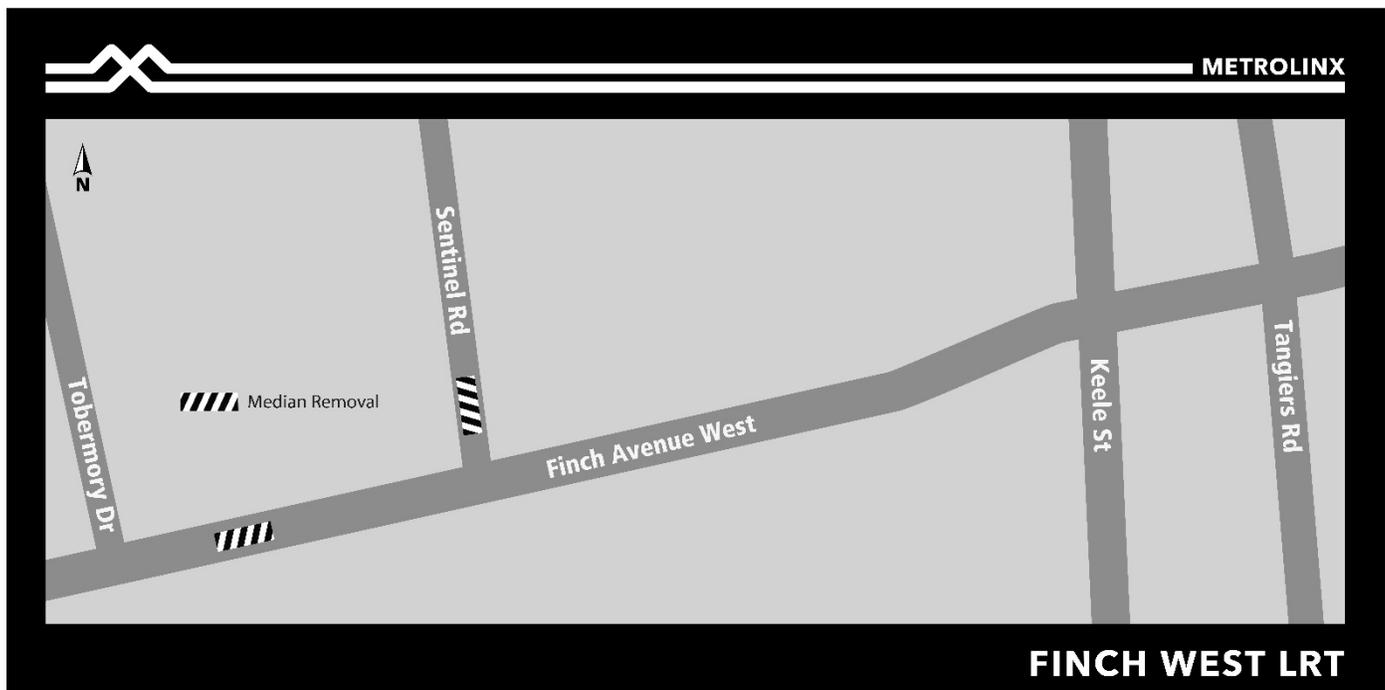

Median Removals on Finch Ave W, east of Tobermory Dr, and on Sentinel Rd, north of Finch Ave W

The surface section of the Finch West LRT will run down the centre of Finch Avenue West in dedicated transit lanes at street level. To prepare for the construction of the surface section, crews are working to get the roadway ready.

What: As part of preparatory works, crews will be conducting median removal work in the roadway to prepare Finch Ave W and nearby roads for the future changes. Concrete medians will be removed from Finch Ave W (east of Tobermory Dr) and on Sentinel Rd (north of Finch Ave W). The work is anticipated to start in early-October 2019 for approximately one week.

Where:

- On Finch Ave W, east of Tobermory Dr.
- On Sentinel Rd, north of Finch Ave W.

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of September 16, 2019

Hours of Work:

- Work is expected to begin in early-October and will take approximately one week to complete.
- Work will take place between the hours of 7:00 am to 7:00 pm.
- Work may be rescheduled due to weather conditions or unforeseen circumstances.

What to Expect:

- Lane reductions are required to accommodate this work.
- A minimum of one lane will be maintained in each direction. Efforts will be made to maintain more than one lane where possible at the end of the day.
- Nearby residents and businesses can expect to see heavy trucks and equipment in the area.
- There may be noise related to drilling, sawing and other construction equipment.
- Expect delays when travelling near work zones.
- Please take care when travelling and walking near work sites.

Traffic and Pedestrian Impacts

- Lane reductions on Finch Ave West and Tobermory Dr area.
- Lane reductions on Sentinel Road, north of Finch Ave West.
- Pedestrians using the crosswalk on Finch Ave West (east of Tobermory Dr.) will be accommodated during the removal of the median.
