

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of October 2, 2019

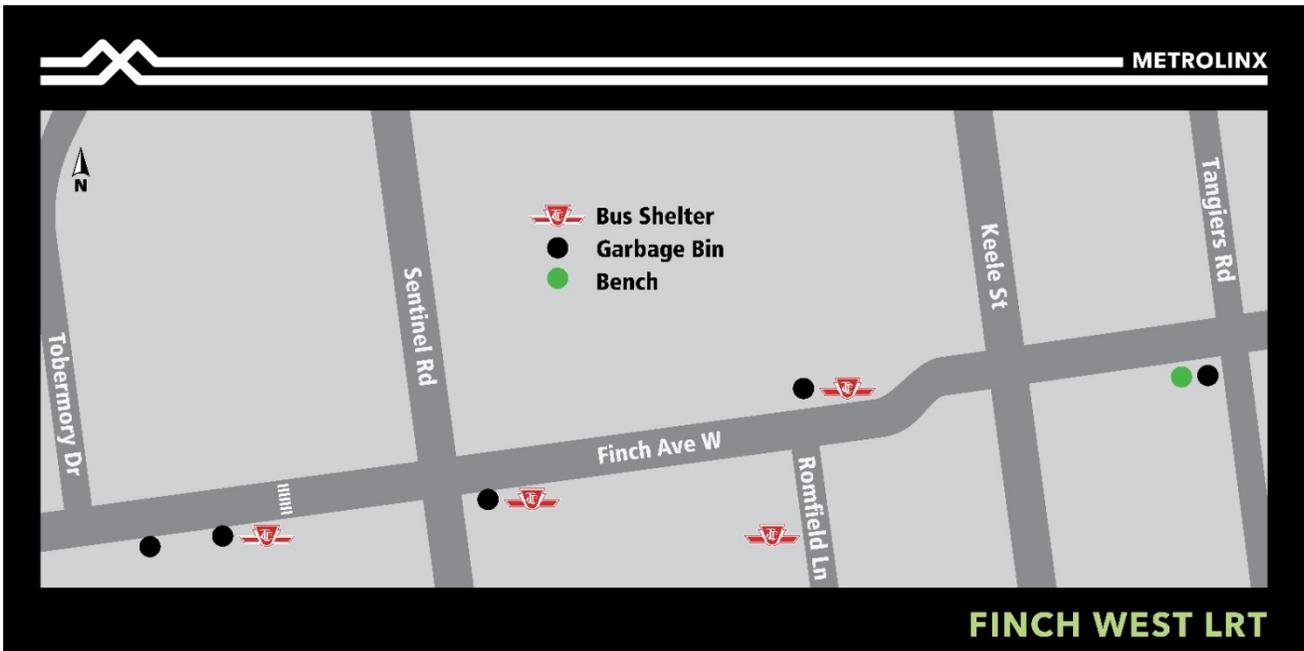

What is the Finch West Light Rail Transit?

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at Finch West subway. A below-grade terminal stop at Humber College will connect to other local transit services like GO, Miway, Viva, and Züm. The Finch West LRT will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto.

Street Furniture Removals along Finch Ave. W., from Tobermory Dr. to Tangiers Rd. October to November 2019

What: As part of the ongoing preparatory works for the construction of the Finch West LRT Project, crews will be removing street furniture across Finch Ave. W. between the Tobermory Dr. and Tangiers Rd. Street furniture includes litter bins, benches, transit shelters and publication boxes.

Street furniture removed from the Tobermory Dr. to Tangiers Rd. will be stored for the construction period and where applicable, reinstalled or replaced to the City standard once the project is complete. Placement of street furniture will be coordinated with the City of Toronto’s Street Furniture division.

Hours of Work:

- Work will occur in October and November 2019
- Monday to Friday between 7 a.m. and 7 p.m.
- Work may be rescheduled due to weather conditions or unforeseen circumstances.
