

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of October 2, 2019

What is the Finch West Light Rail Transit?

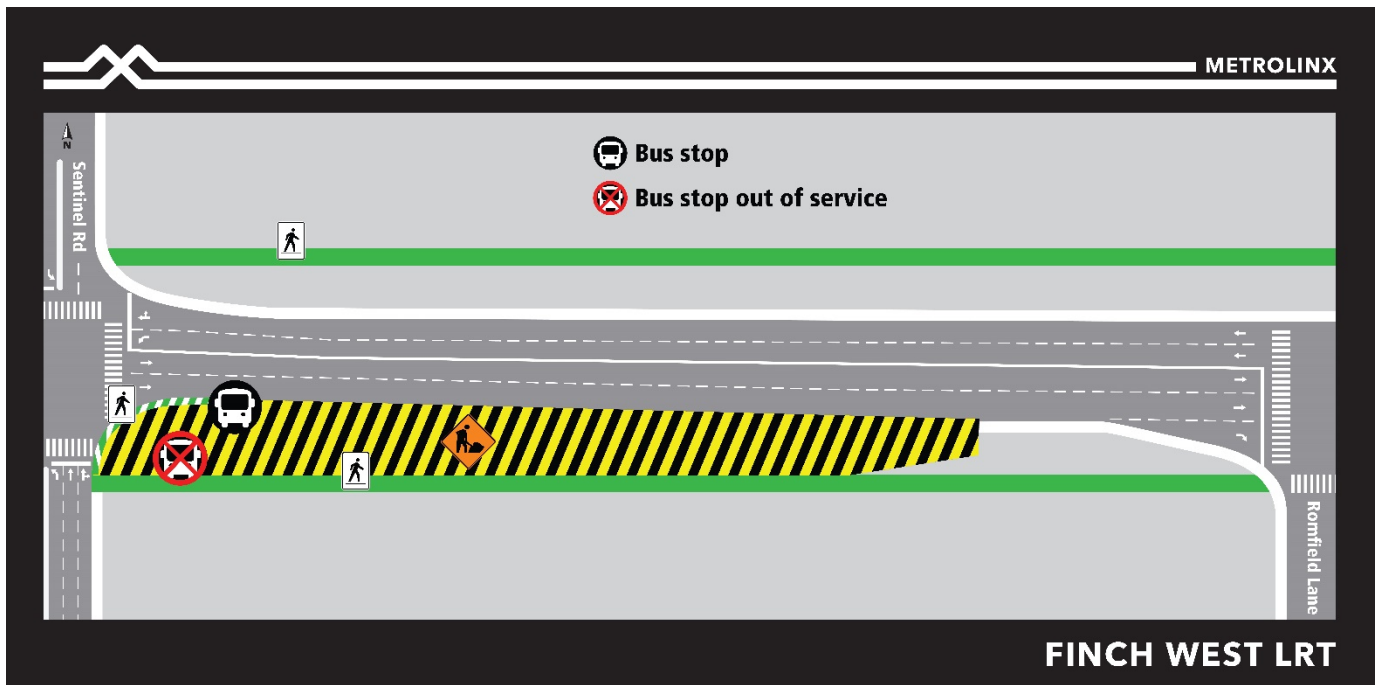

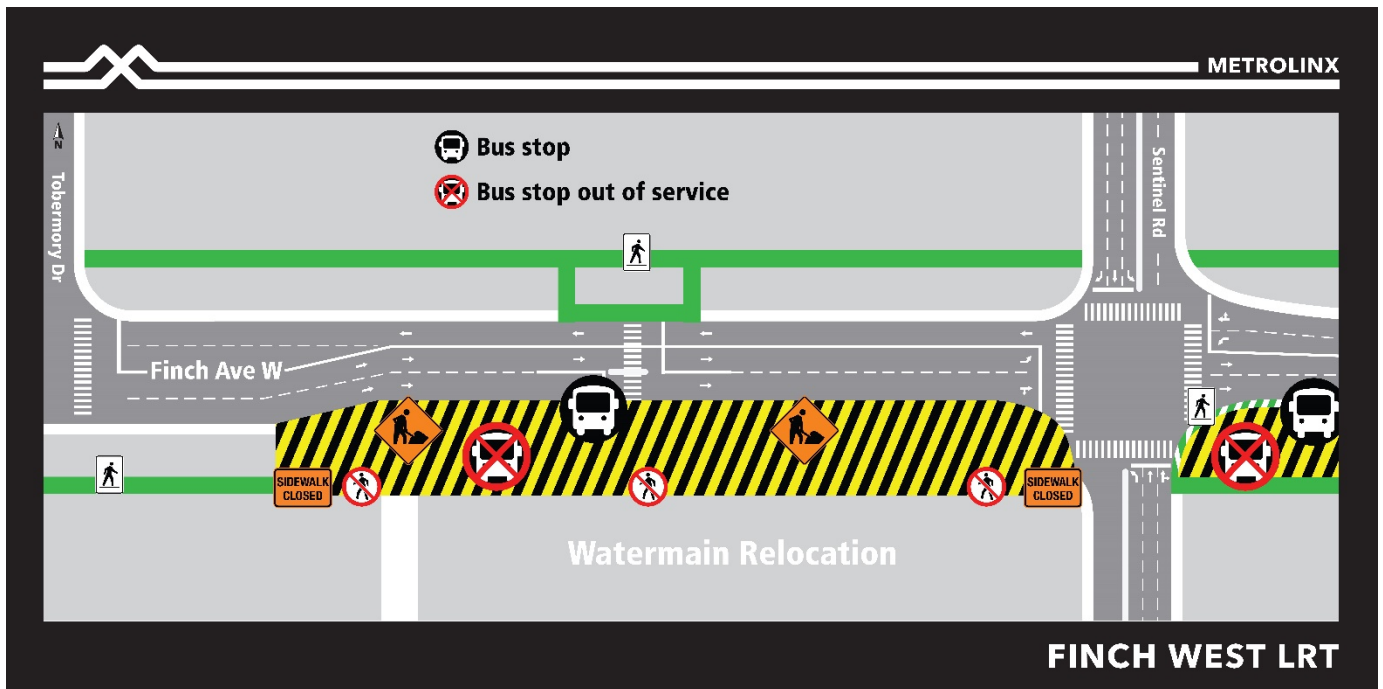

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at Finch West subway. It will have a below-grade terminal stop at Humber College, and will connect to other local transit services like GO, Miway, Viva, and Züm. The Finch West LRT will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto.

Lane Closures for Watermain and Storm Sewer Works along Finch Ave. W., from east of Tobermory Dr. to Romfield Ln. Starting Early October

What: As part of the construction of the Finch West LRT, crews will be upgrading and replacing watermain and storm sewer pipes along Finch Ave. W. between Tobermory Dr. and Romfield Ln., starting as early as October 2019 and will continue for approximately **three (3) months**.

Relocating water utilities is part of the preparatory works required to widen Finch Ave. W. to make room for the Finch West LRT. The works include excavation in the road to dig a trench to install new underground pipes, then restoration of areas affected by construction.

To safely conduct the works, lane closures are expected from east of Tobermory Dr. to Romfield Ln. **There will be water shut-offs associated with this work. Affected properties will be notified separately.**

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of October 2, 2019

Hours of Work:

- Work is expected to start as early as **October 2019** and will continue for approximately **three (3)** months.
- Work will occur Monday to Friday from **7 AM to 7 PM**. Weekend and overnight works might occur if necessary.
- Work may be rescheduled due to weather conditions or unforeseen circumstances.

What to Expect:

- Work will start at the east of Tobermory Dr. and move east up to Romfield Ln.
- There will be water shut-offs associated with this work. **Affected properties will be notified separately.**
- Nearby residents and businesses can expect to see heavy trucks and equipment in the area.
- There may be some noise related to construction equipment.
- Expect delays when travelling near work zones.
- Please take extra care when walking near work sites, and always make eye contact with the driver before you pass close to any equipment or construction vehicle.

Pedestrian Details:

- Eastbound lane closures along Finch Ave W, from east of Tobermory Dr. to Romfield Ln. during this work.
- The south sidewalk along Finch Ave W, from east of Tobermory Dr. to St. Wilfrid Catholic School will be closed until November 30, 2019 during this work.
- The north sidewalk along Finch Ave W, from east of Tobermory Dr. will remain open during this work.
- The crosswalk located in front of St. Wilfrid Catholic School will remain open and operational.

Traffic Details:

- Eastbound lane closures on the Finch Ave. W., from east of Tobermory Dr. to Romfield Ln.
- A minimum of one (1) lane of traffic in each direction along Finch Ave. W. will be maintained at all times.

Bus Details:

- The bus stops in front of St. Wilfrid School and east of Sentinel Rd. will be relocated about 20 metres away from their current locations.
- TTC service will not be disrupted due to these construction activities.
