

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of October 28, 2019

What is the Finch West Light Rail Transit (LRT)?

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at Finch West subway. It will have a below-grade terminal stop at Humber College and will connect to other local transit services like GO, Miway, Viva, and Züm. The Finch West LRT will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto.

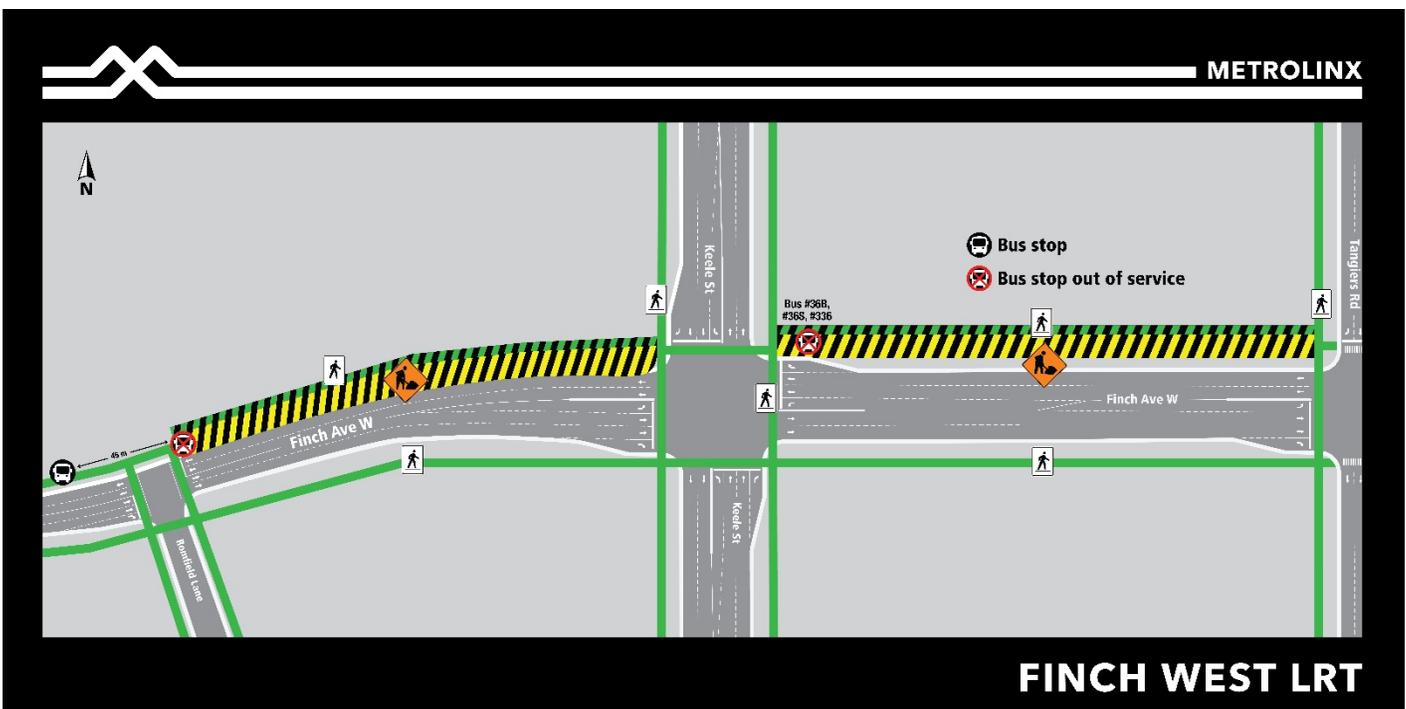

Lane closures to widen the north side of Finch Ave. W. between Romfield Ln. to Tangiers Rd. November to the end of 2019

What: As part of the construction of the Finch West LRT project, crews will be widening Finch Ave. W. between Tobermory Dr. and Tangiers Rd., starting in November 2019 for approximately **three (3) months**. Once the road is widened, new underground water and storm water pipes will be installed.

To safely conduct the works and allow traffic flow, work will take place in three stages on one side of the road at a time.

- During Stage 1, a crew will work on the north side of Finch Ave. W., from Romfield Ln. to Tangiers Rd (map below).
- In Stage 2, a crew will work on the south side of Finch Ave. W. at Romfield Ln. and move eastward to Tangiers Rd.
- In Stage 3, work will move from east of Tobermory Dr. to Romfield Ln.

Details for Stages 2 and 3 will shared soon.

Hours of Work:

- Starting as early as **November 2019** and will continue for approximately **three (3) months**.
- Monday to Friday from **7 AM to 7 PM**. Weekend and overnight works might occur if necessary.
- Work may be rescheduled due to weather conditions or unforeseen circumstances.

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of October 28, 2019

What to Expect:

- Road widening works to be completed in three stages, starting on the north and moving to the south sides of Finch Ave. W.
- Heavy trucks and equipment in the area.
- Some noise related to construction equipment.
- Expect delays near work zones.
- Please take extra care when walking near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle.

Pedestrian Details for Stage 1:

- No sidewalk closures expected.
- Pedestrians will be re-routed around the work zone.
- Access to schools, churches, and businesses will be maintained.
- Access for Emergency Vehicles will be maintained.

Traffic Details for Stage 1:

- A minimum of one (1) lane of traffic in each direction along Finch Ave. W. will be maintained.

Bus Stop Relocations/Closures for Stage 1:

- Bus stop (# 2611) located at the north east side at Keele St. and Finch Ave W. will be closed.
- Bus stop (#2626) located at the north east side at Romfield Ln. and Finch Ave W. will be relocated 45m to the west.
- TTC service will not be disrupted due to these construction activities.
