

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of January 8, 2020

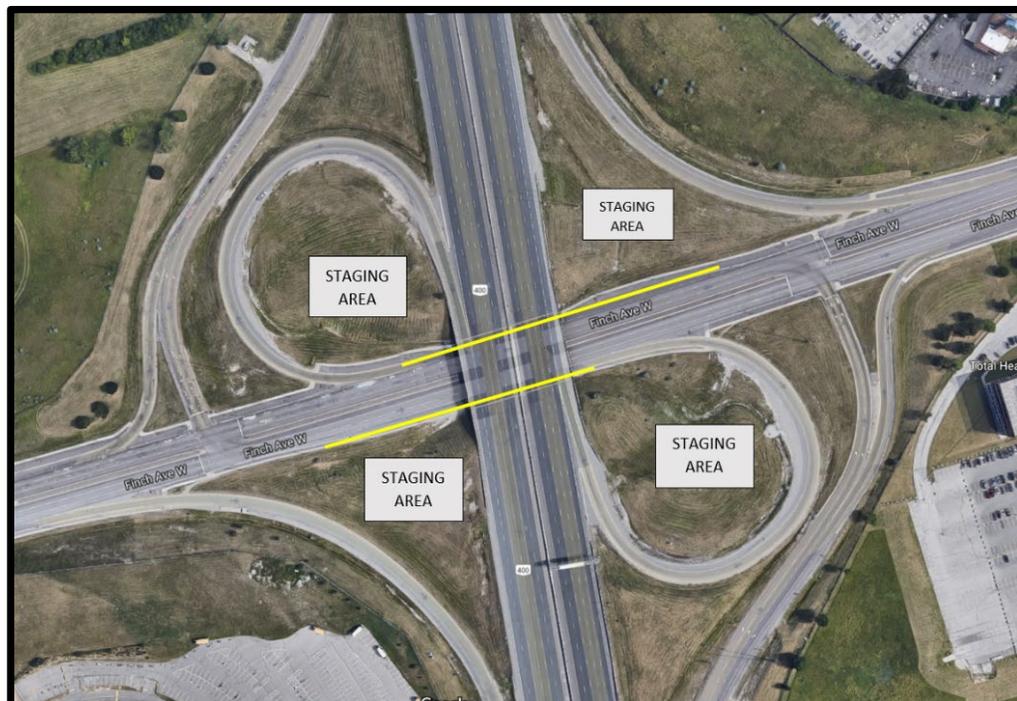

What is the Finch West Light Rail Transit (LRT)?

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at Finch West subway. A below-grade terminal stop at Humber College will connect to other local transit services like GO, Miway, Viva, and Züm. The Finch West LRT will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto.

Updated Traffic Alert: Partial lane reductions on the northbound and southbound on-ramps to Hwy 400

What: Partial lane reductions at the Finch Ave. W. westbound on-ramp to Hwy 400 southbound and the Finch Ave. W. eastbound on-ramp to Hwy 400 northbound. The lane reductions began in August 2019 and will remain in place until the replacement of the Hwy 400 bridge over Finch Ave. W. which will take place in mid-2020. The highway will remain accessible but expect partial lane reductions between 7 a.m. and 5 p.m., when required.

Why: To prepare the staging areas adjacent to the highway where new bridge decks for the Hwy 400 bridge over Finch Ave W. will be constructed. Works include excavation and related construction activities. To protect workers and motorists, there will be partial lane reductions at affected on-ramps and periodic short-term lane closures on Finch Ave. W.

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of January 8, 2020

Hours of Work

- Work requiring lane reductions began in August 2019 and has been extended to mid-2020.
- Between the hours of 7a.m. and 5p.m. when required.
- Work may be delayed due to weather conditions or unforeseen circumstances.

What to Expect

- Short duration partial lane reductions to the on-ramp from Finch Ave. W. eastbound to Hwy 400 northbound.
- Short duration partial lane reductions to the on-ramp from Finch Ave. W. westbound to Hwy 400 southbound.
- Access to Hwy 400 will remain open.
- Flag people will be in place when required.
- Pedestrians will be accommodated through the work area.
- Road users will have to be more cautious as heavy trucks and equipment will be active in the area.
- Please take care when travelling near work sites.

Traffic Impacts

- For short durations, partial lane reductions of the affected on-ramps.
