

Traffic Changes for Finch/Keele Area

February 2021 – Summer 2022

What?

Since April 2020, crews have been drilling and installing concrete piles to support the underground during excavation for the Finch West station on lots near the Finch Ave W. and Keele St. intersection. Currently crews are drilling in the roadway on the southwest and northeast sides of Finch Ave. W. and Keele St.

In preparation for the next phase scheduled for February 2021, crews will set up new construction zones down the middle of Finch Ave. W. between Romfield Ln. and Keele St. Work will continue on the northeast corner of Keele St. and Finch Ave. W.

Metrolinx's contractor continues monitoring noise and vibration levels to make sure they are always within permitted ranges.

WHEN AND WHERE:

- Set up of the new work area on Finch Ave. W. from Romfield Ln. to Keele St. will start in February 2021 and remain in place for 18 months, approximately.
- Drilling already underway on the northeast corner of Finch Ave. W. and Keele St. and will continue to March 2021, approximately.

WORK HOURS:

- Drilling activity will take place from 7 am to 11 pm, Monday to Saturday.

WHAT TO EXPECT:

- Heavy trucks and equipment in the area.
- Noise and vibration from construction activity and equipment. Noise and vibration monitors are installed.
- Dust from drilling activity, which will be managed with water trucks during working hours.
- Flaggers on site when necessary to ease traffic access and ensure public safety.
- Please obey all posted construction signs and do not enter the work zone.
- Please take extra care when walking near work sites. Always make eye contact with the driver before crossing in front of any equipment or vehicle.
- Unforeseen circumstances and weather may affect the schedule.

PEDESTRIAN, TRAFFIC AND TRANSIT DETAILS:
