

# FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of January 21, 2020

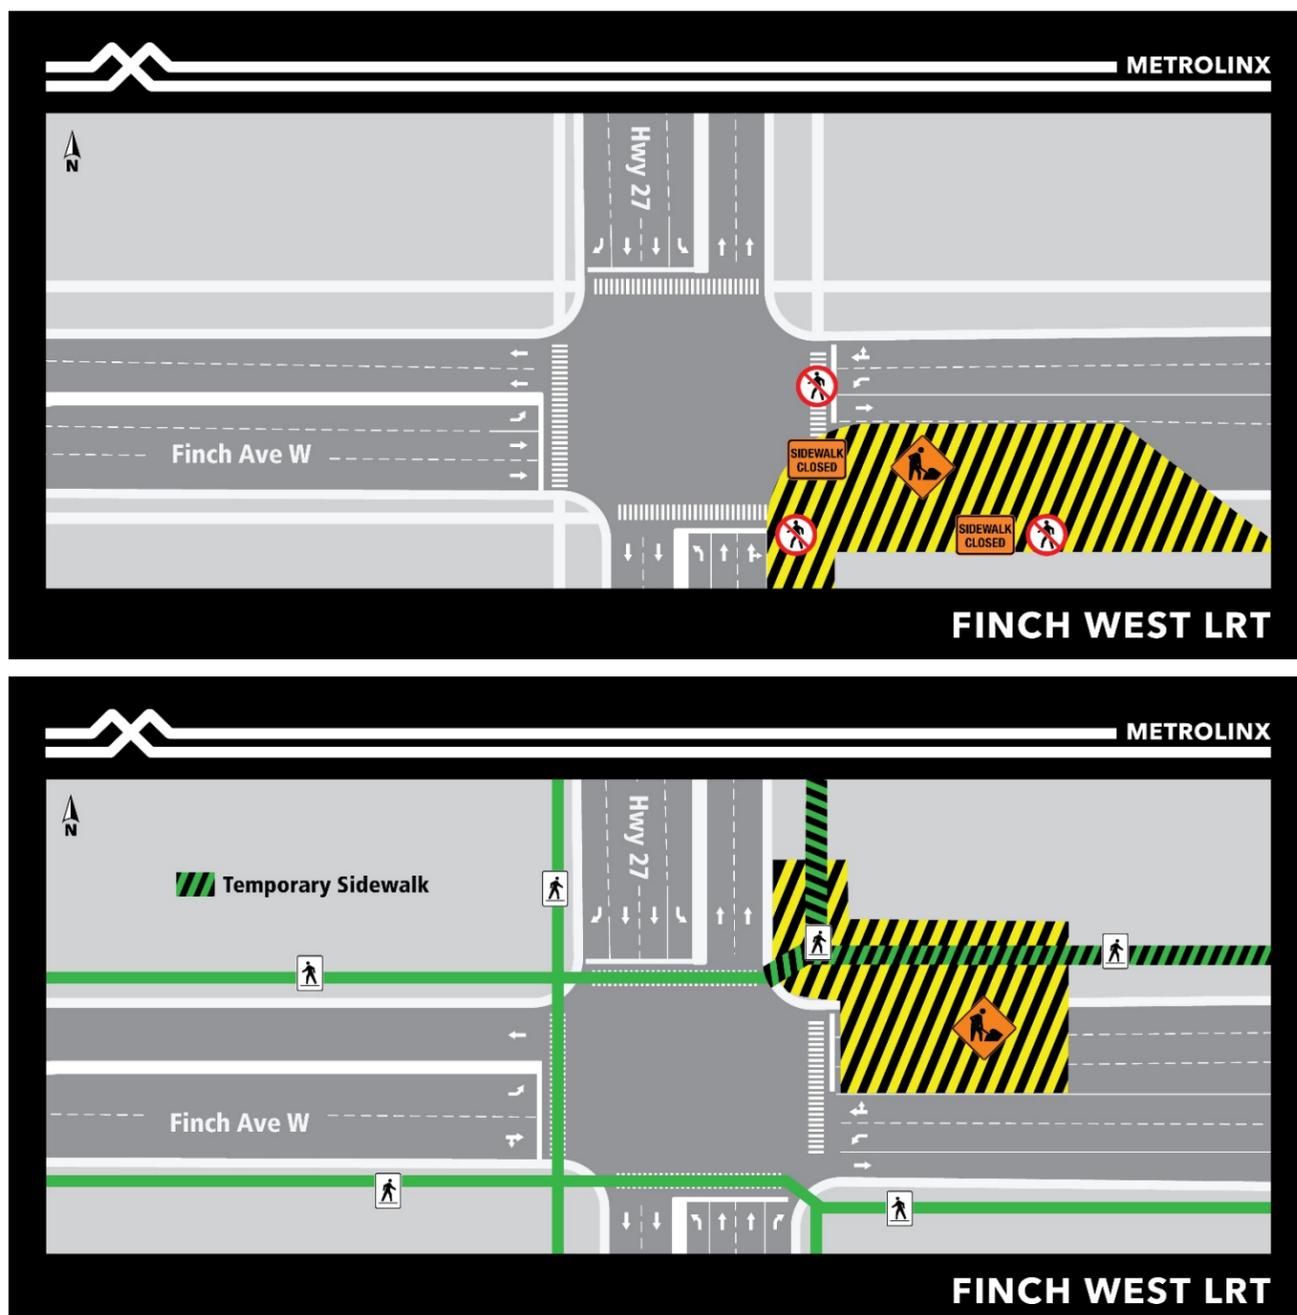

## What is the Finch West Light Rail Transit?

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at Finch West subway. A below-grade terminal stop at Humber College will connect to other local transit services like GO, Miway, Viva, and Züm. The Finch West LRT will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto.

## Watermain Installation at Finch Ave W and Hwy 27 Area February 2020

**What:** As part of the Finch West Light Rail Transit (LRT) project, a crew will be installing two new watermain pipes in the Finch Ave. W. and Hwy. 27 area. The new watermain pipes will replace two old ones, which will be removed to create space for the LRT portal. The watermain work will take place in two stages, starting as early as late-February 2020:

- Stage 1 work will begin on the south side of Finch Ave. W. at Hwy. 27 (fig. 1), after
- Stage 2 work will begin on the north side of Finch Ave. W. at Hwy. 27 (fig. 2)

### Hours of Work:

- Monday to Friday, day and night, as required.
- Work may happen on weekends, as required.
- It is anticipated that stage 1 will take four (4) weeks and stage 2 will take two (2) weeks, approximately.
- Work may be delayed due to weather conditions or unforeseen circumstances.

### What to Expect:

- A crew demolishing and removing old watermain pipes, then installing a new watermain on the south side of Finch Ave W., east of Hwy 27. (fig. 1), and on the north side of Finch Ave. W., east of Hwy. 27 (fig. 2).
- Expect a reduction in water pressure in the area and possibly water shut-offs. Affected properties, if any, will be notified separately.
- Heavy trucks and equipment will be active in the area.
- Expect noise from asphalt removal, excavation and asphalt replacement.
- Please take care when driving or walking near work sites.

### Traffic and Pedestrian Impacts:

- Finch Ave. W. reduced to one lane in each direction.
- Lane closures at north and south of Finch Ave W. will take place at different times and not overlap.
- Construction will not obstruct nearby bus stops.
- Access to adjacent businesses and residences will be maintained.
- Pedestrian traffic will be re-routed where needed.
