

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of February 12, 2020

What is the Finch West Light Rail Transit (LRT)?

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at Finch West subway. A below-grade terminal stop at Humber College will connect to other local transit services like GO, Miway, Viva, and Züm. The Finch West LRT will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto.

Lane closures to widen the south side of Finch Ave. W. between Romfield Ln. and Tangiers Rd. March 2020 for 3 to 4 weeks

What: As part of the construction of the Finch West LRT project, crews are widening Finch Ave. W. between Tobermory Dr. and Tangiers Rd. Once the road is widened, new underground water and storm water pipes will be installed.

To safely conduct the works and allow traffic flow, work is taking place on Finch Ave. W in three stages on one side of road at a time.

- In Stage 1, which is currently in progress, work will occur on north side of Finch Ave. W. between Romfield Ln. and Tangiers Rd. Details can be found here: www.metrolinx.com/finchwestlrt
- In Stage 2, work will occur on south side of Finch Ave. W. between Romfield Ln. and Tangiers Rd. (see map below).
- In Stage 3, work will continue on the south side of Finch Ave. W. between Derrydowns Park, east of Tobermory Dr., and Romfield Ln. This Stage will start once Stage 2 is completed.

Details for stage 3 will be shared soon.

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of February 12, 2020

Hours of Work:

- Starting as early as **March 2020** and will continue for approximately **3 to 4 weeks**.
- Monday to Friday from **7 AM to 7 PM**. Weekend and overnight works might occur if necessary.
- Work may be rescheduled due to weather conditions or unforeseen circumstances.

What to Expect:

- Road widening works to be completed on to the south sides of Finch Ave. W.
- Heavy trucks and equipment in the area.
- Some noise related to construction equipment.
- Expect delays near work zones.

Pedestrian Details for Stage 2:

- Expect sidewalk closures where work is taking place. Pedestrian access will be maintained on the north side of Finch Ave. W.
- Access to schools, churches, and businesses will be maintained.
- Please take extra care when walking near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle.

Traffic Details for Stage 2:

- A minimum of one (1) lane of traffic in each direction along Finch Ave. W. will be maintained.
- Dedicated left turn lanes from Finch Ave. W. in both directions to Keele St. will be maintained.
- Access for Emergency Vehicles will be maintained.

Bus Stop Relocations/Closures for Stage 2:

- Bus stop (# 15362), located at south-west corner of Keele St. and Finch Ave. W. intersection, will be closed.
- Route 336 Finch West and 36B Finch West (only when Finch West Station is closed) will be diverting eastbound only via Finch Ave. W., Keele St., Finch West Station Bus Way, Tangiers Rd. to route, servicing customers on Keele St. just north of Finch Ave. W.
- Bus stop (# 2625), located at south-west corner of Romfield Ln. and Finch Ave. W. intersection, will be relocated 50 m west of existing bus stop.
- Access to the TTC will be maintained at all times.
- Please visit www.ttc.ca for more information.

Contact: For more information about the Finch West LRT project, please contact the Metrolinx Finch West LRT Community Relations Team at 416-202-6500 or email finchwest@metrolinx.com. You can also visit the community office at 2450 Finch Avenue West
