

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of April 9, 2020

What is the Finch West Light Rail Transit (LRT)?

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at Finch West subway. A below-grade terminal stop at Humber College will connect to other local transit services like GO, MiWay, Viva, and Züm. The Finch West LRT will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto.

Road Widening Along Hwy. 27 from Humber River to north of Finch Ave. W. May 2020

What: As part of preparatory works to expand Finch Ave. W. to accommodate the Finch West LRT line, crews will begin with road widening along the west side of Hwy. 27 from the Humber River to north of Finch Ave. W. Work will begin in early May and take approximately five (5) weeks.
