

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of May 14, 2020

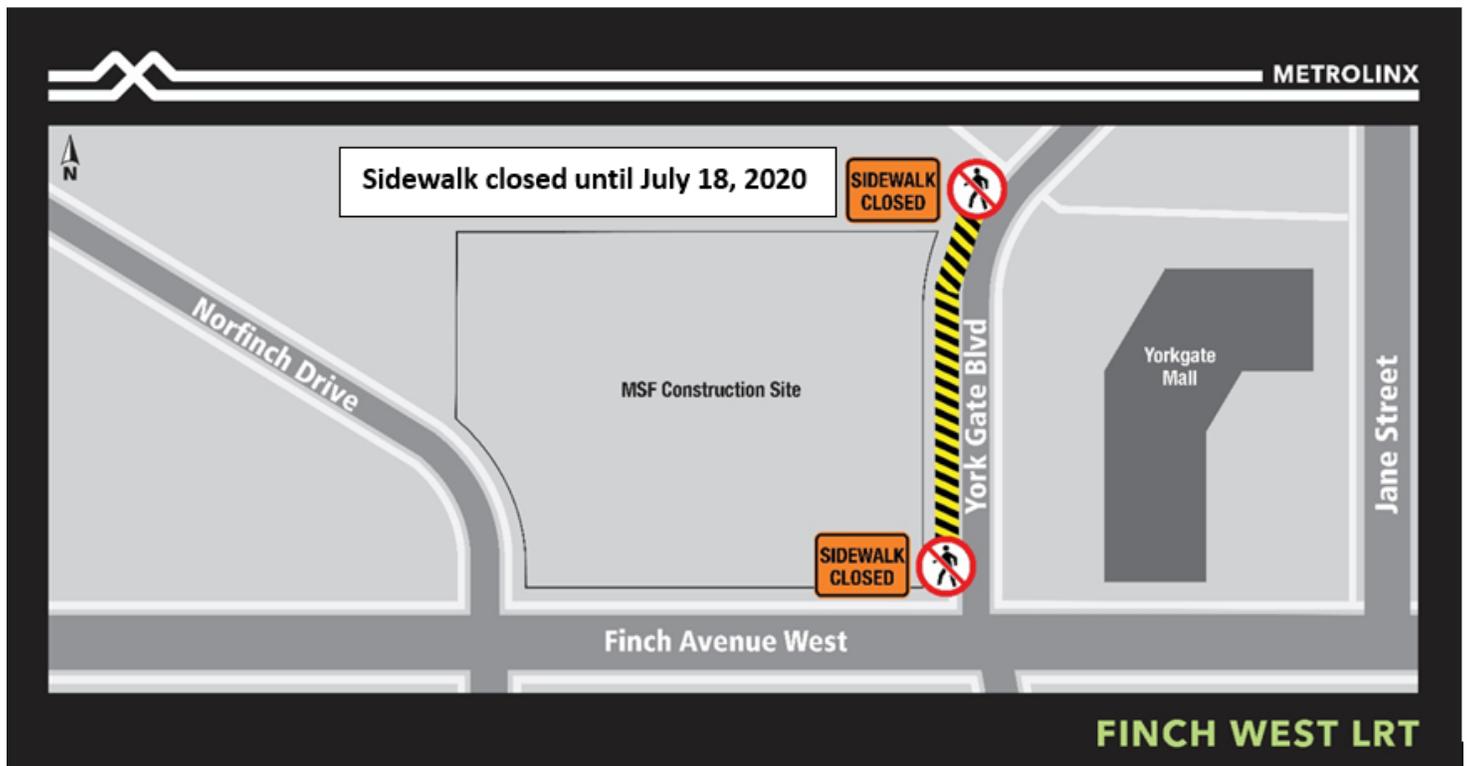

What is the Finch West Light Rail Transit (LRT)?

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at Finch West subway. It will have a below-grade terminal stop at Humber College and will connect to other local transit services like GO, MiWay, Viva, and Züm. The Finch West LRT will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto

Extended: Sidewalk Closure on the West Side of York Gate Blvd. at Finch Ave. W. July 22, 2019 - July 18, 2020

What: As part of the construction of the future Maintenance and Storage Facility (MSF) for the Finch West LRT, for public safety, there will be a closure of the west sidewalk on York Gate Blvd. from the traffic light at Finch Ave. W. to the next traffic light north on York Gate Blvd. (Hullmar Dr.).

When: For safety reasons, the west sidewalk of York Gate Blvd. has been closed since July 22, 2019. It will remain closed until July 18, 2020

What to Expect:

- The west sidewalk on York Gate Blvd. will be closed from Finch Ave. W. to the next traffic light towards the north-end (Hullmar Dr.).
- Barricades will be placed on the section of the sidewalk closed to pedestrians.
- Pedestrians will be able to use the east sidewalk of York Gate Blvd.
- Heavy trucks will be entering and exiting the MSF site.
- Please take extra care when walking near work sites, and always make eye contact with the driver before you pass close to any equipment or construction vehicle.

There will be no traffic Impacts

Contact: For more information about closures related to the Finch West LRT project, please contact the Metrolinx Finch West LRT Community Relations Team at 416-202-6500 or email TorontoWest@metrolinx.com.
