

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of May 21, 2020

What is the Finch West Light Rail Transit (LRT)?

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at the TTC Finch West Subway Station. A below-grade terminal stop at Humber College will connect to other local transit services like GO, MiWay, Viva, and Züm. The Finch West LRT will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto.

Underground Civil Work From Signet Dr. to San Romanoway June 2020

What: Starting in June 2020, our constructor Mosaic Transit Group (Mosaic) along with designated subcontractors for the Finch West LRT project will be working to rebuild and relocate the underground electrical system along the project corridor (please refer to map below). This work supports the construction of the Finch West LRT project and includes the replacement of existing duct banks and cable chambers.

When and Where: Starting in June 2020 and lasting for seven (7) months, approximately.

The boundaries include Finch Ave. W. (North), San Romanoway (East), Finch Ave. W. (South) and Signet Dr. (West).

Hours of Work:

- Work will take place Monday to Friday, between 7:00 a.m. and 7:00 p.m.
- Weekend work may occur, if needed.
- Operational factors and weather may affect the schedule.

What to Expect:

- Noise, dust and vibration from construction activity and equipment.
- Power outages may be necessary to switch from the old to the new electrical system. If that is the case, we will provide advance notice of planned outages.
- Flaggers on site when necessary to ease traffic access and ensure public safety.
- Please obey all posted construction signs and do not enter the work zone.
- Please take extra care when walking near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle.

Pedestrian and Traffic Details:

- Road and sidewalk restrictions are in place within the construction area to protect workers and the public.
- In the event of any parking restrictions, advanced notice will be provided.

Contact: For more information about the Finch West LRT project, please contact the Metrolinx Finch West LRT Community Relations Team at 416-202-6500 or email TorontoWest@metrolinx.com.
