

# FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of June 9, 2020

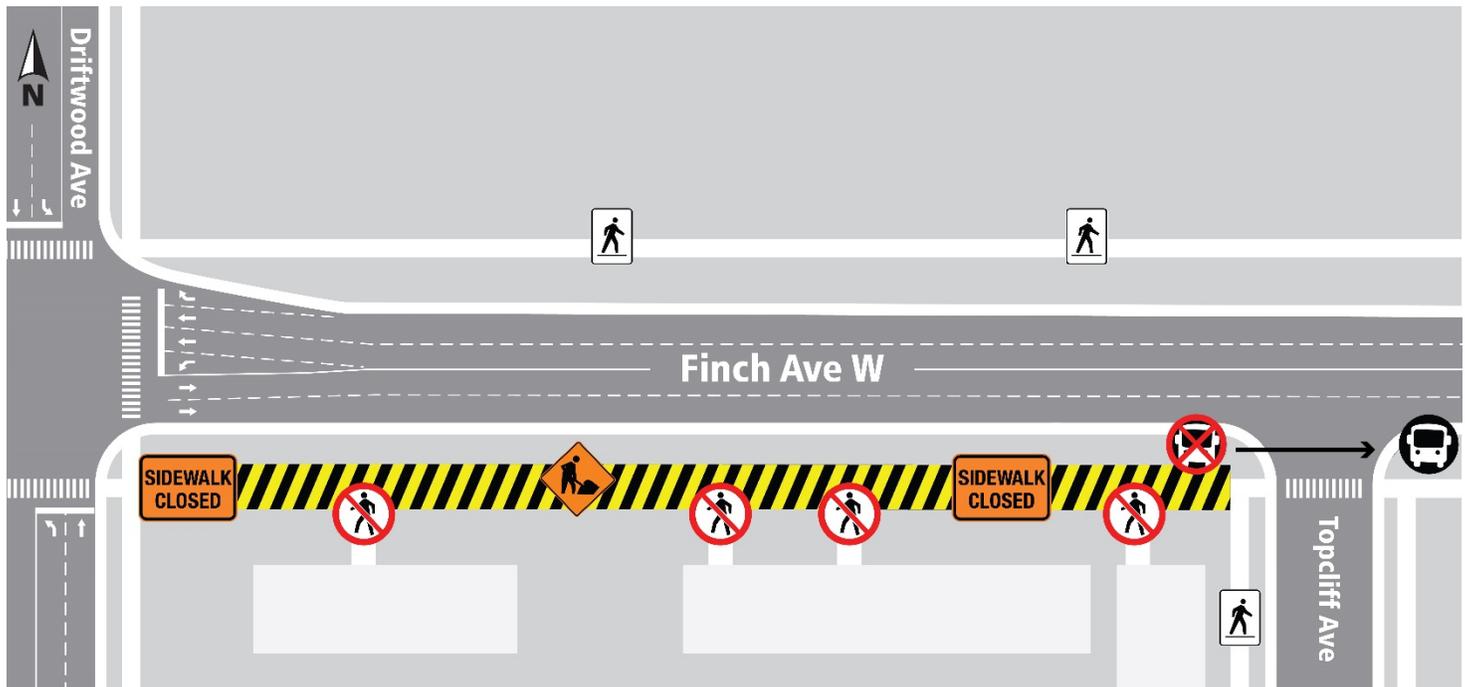

## What is the Finch West Light Rail Transit (LRT)?

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at the Finch West Subway Station. A below-grade terminal stop at Humber College will connect to other local transit services like GO, MiWay, Viva, and Züm. The Finch West LRT will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto.

## Sidewalk Closure for Telecom Work From Driftwood Ave. to Topcliff Ave. Rd. June to Late July 2020

**What:** As part of the construction of the Finch West LRT project, crews are undertaking a maintenance hole rebuild on the south side of Finch Ave. W.

During this work, the south sidewalk on Finch Ave. W. will be closed between Driftwood Ave. and Topcliff Ave. starting on June 10, 2020 for six (6) weeks, approximately.

# FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of June 9, 2020

## Hours of Work:

- Starting on June 10, and will continue until July 22, 2020, approximately.
- Work may be rescheduled due to weather conditions or unforeseen circumstances.

## Pedestrian and Transit Details:

- Sidewalk will be closed on the south side of Finch Ave. W. from Driftwood Ave. to Topcliff Ave. Pedestrians must use the sidewalk on the north side of Finch Ave. W.
- Pedestrian access to the buildings on the south side of Finch Ave. W. will be closed. Please use Driftwood Ave. and Yellowstone St. to access them.
- TTC bus stop #2638, located west of Topcliff Ave., will be moved to the east side of Topcliff Ave.
- Access to the TTC will be maintained at all times.
- Please visit [www.ttc.ca](http://www.ttc.ca) for more information.
- Please take extra care when walking near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle.
