

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of June 9, 2020

What is the Finch West Light Rail Transit (LRT)?

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at TTC Finch West Subway Station. A below-grade terminal stop at Humber College will connect to other local transit services like GO, MiWay, Viva, and Züm. The Finch West LRT will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto.

UPDATED: Watermain Installation at Finch Ave W and Hwy 27 Area Ongoing until late-July 2020

What: As part of the Finch West Light Rail Transit (LRT) project, crews continue watermain installation in the Finch Ave. W. and Hwy. 27 area. The new watermain pipes will replace two old ones, which will be removed to create space for the LRT portal.

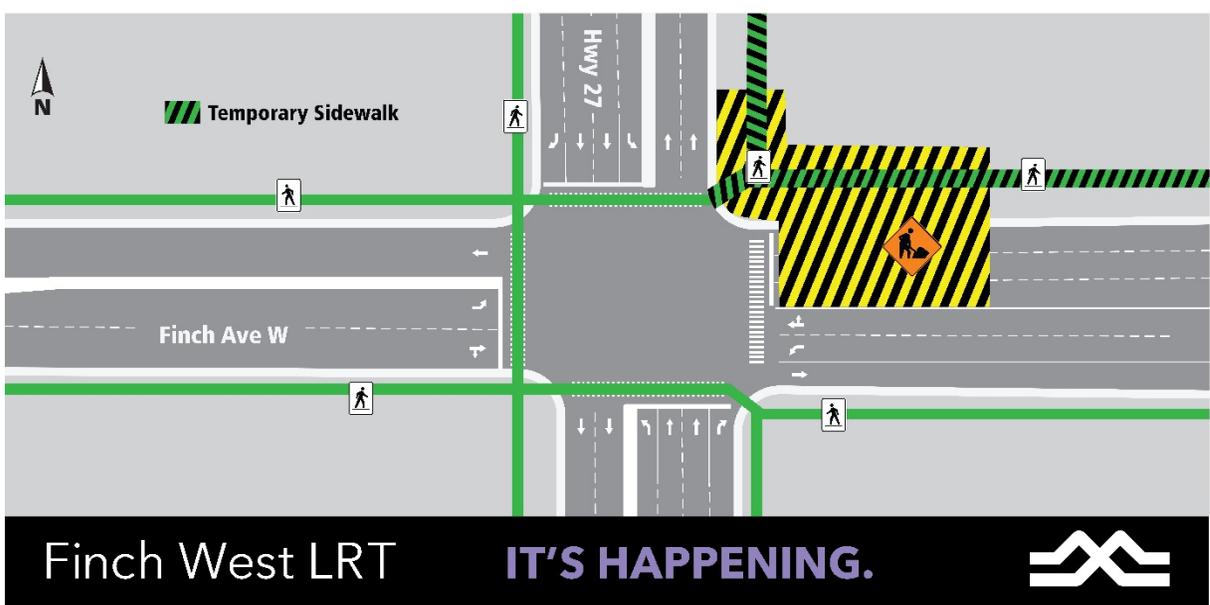

Work began in late February 2020 and will be ongoing until late-July 2020. The watermain work is taking place in two stages:

- Stage 1 work will be on the south side of Finch Ave. W. at Hwy. 27 (fig.1), after its completion
- Stage 2 work will begin on the north side of Finch Ave. W. at Hwy. 27 (fig. 2)

Construction Notice

Information as of June 9, 2020

Hours of Work:

- Monday to Friday, day and night, as required.
- Work may happen on weekends, as required.
- Work may be delayed due to weather conditions or unforeseen circumstances.

What to Expect:

- A crew demolishing and removing old watermain pipes, then installing a new watermain on the south side of Finch Ave W., east of Hwy 27. (Fig 1) and on the north side of Finch Ave W., east of Hwy 27. (Fig 2).
- Expect a reduction in water pressure in the area and possibly water shut-offs. Affected properties have been notified separately.
- Heavy trucks and equipment will be active in the area.
- Expect noise from asphalt removal, excavation and asphalt replacement.
- Please take care when driving or walking near work sites.

Traffic and Pedestrian Impacts:

- Finch Ave. W. reduced to one lane in each direction.
- Lane closures at north and south of Finch Ave. W. will take place at different times and not overlap.
- Construction will not obstruct nearby bus stops.
- Access to adjacent businesses and residences will be maintained.
- Pedestrian traffic will be re-routed where needed.
