

# Driveway Closure.

## Finch Ave. W. Driveway to 3926-3932 Keele St.

November 30, 2020 - January 31, 2021

### What?

As part of the Finch West LRT Project, crews have been drilling and installing concrete piles to support the underground during excavation for the Finch West station on lots near the Finch Ave. W. and Keele St. intersection. To complete this work on the southwest corner of the intersection, the driveway on Finch Ave. W. that provides access to the CFG Centennial Plaza must remain closed for approximately two months, starting on November 30, 2020. The CFG Centennial Plaza will be accessible via Keele St.

**WHAT TO EXPECT:**

- The driveway on Finch Ave. W. to access 3926-3932 Keele St. will remain closed for two months, approximately.
- The driveway will be barricaded with water-wall barrier so that Emergency Services can still access the property, if required.
- The driveway located on Keele St. will remain open during this time.
- Please be careful when navigating near construction zones.
- Thank you for your patience during this time.
