

# TRANSFORMING TRANSIT IN YOUR AREA

## FINCH WEST LIGHT RAIL TRANSIT (LRT)

Information as of August 20, 2019

### Overnight Power Outage at Humber College

The Finch West Light Rail Transit (LRT) is an 11-km LRT running along Finch Avenue West between Keele Street and Humber College. Upon completion, it will increase transit capacity and reliability of service along the route, while significantly reducing travel times for transit users on the corridor.

**What:** In support of construction of the future Humber College Stop, crews will be removing high voltage cables buried underground located on Parking Lot #5 and replacing them with an above ground temporary pole line. A temporary power outage is required to perform this work. To minimize the impact to affected property, this work will be carried out overnight.

**When:** Starting **Wednesday August 21, 2019 at 10 p.m. to Thursday August 22, 2019 at 6 a.m.**, for approximately 8 hours.

Unexpected circumstances (weather, equipment failure, etc.) may also change the above interruption plans or prolong the interruption. If this occurs, we will endeavour to provide reasonable notice.

#### What to expect:

- A temporary **OVERNIGHT** power outage at Humber College.
- Affected students will receive two generators to power their residences during the power outage.

#### Pedestrian and Traffic Details:

- Parking lot #5 and adjacent pathways will remain closed.
- Pedestrian access will be maintained outside the parking lot.
- Nearby residents and businesses can expect to see heavy trucks and equipment in the area. There may be some noise related to the use of construction equipment.
- Please take care when travelling near work sites.

**Contact:** For more information about Finch West LRT project, please contact the Metrolinx Finch West LRT Community Relations Team at 416-202-6500 or email [finchwest@metrolinx.com](mailto:finchwest@metrolinx.com).
