

TRANSFORMING TRANSIT IN YOUR AREA

FINCH WEST LIGHT RAIL TRANSIT (LRT)

Information as of May 29, 2019

Closure Notice: Humber College Parking Lot #5 and Adjacent Pathways Closed Expected Timeline: End of May 2019

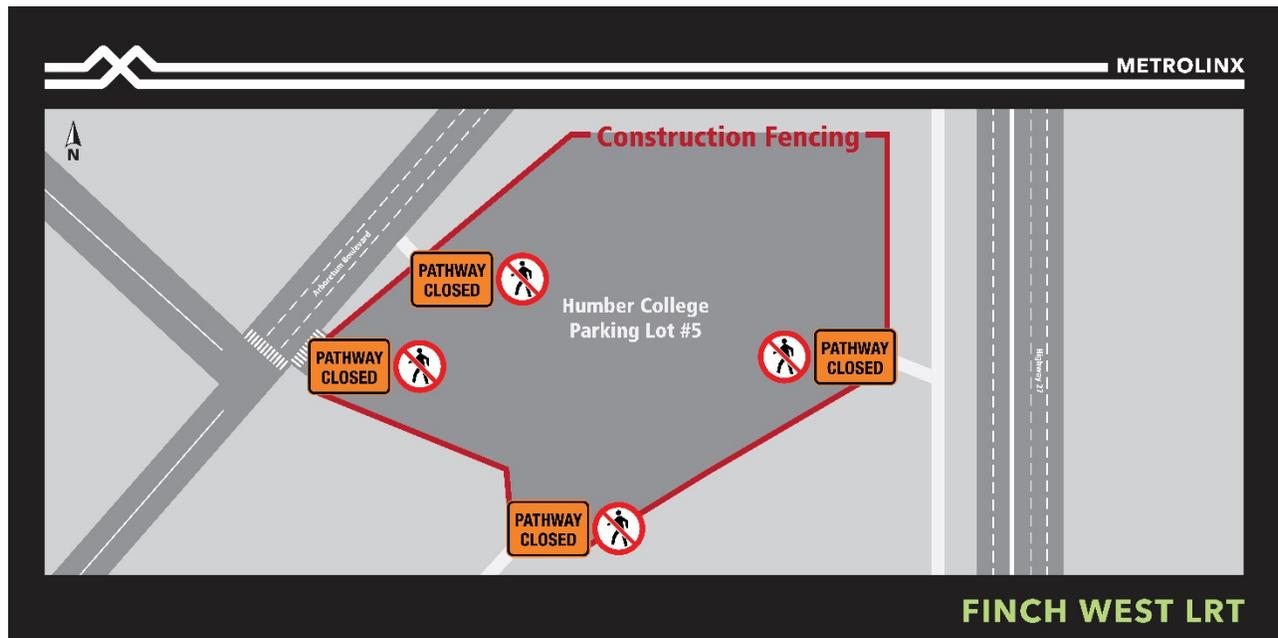

The Finch West Light Rail Transit (LRT) is an 11km LRT running along Finch Avenue West between Keele Street and Humber College. The Finch West LRT will increase capacity and reliability of service along the route, while significantly reducing travel times for transit users on the corridor.

What: Parking Lot #5 will be closed, and a construction crew will install fencing around the perimeter. This will result in closure of the pathways that leads into and out of the parking lot.

When: The fencing installation is expected to take place in late May 2019, weather permitting. Once fencing is installed, the pathways and parking lot #5 will remain closed for the duration of construction.

Why: The constructors of the future Humber College station for the Finch West LRT will use the enclosed area for their office and construction equipment. For the safety of the public and construction workers, the work site fencing is required.

Where: Parking lot #5, located on the Humber College campus near to Humber College Blvd and Highway 27.

Pedestrian and Traffic Details: Parking lot #5 and adjacent pathways leading into and out of the parking area will be closed.

Pedestrian access will be maintained outside the parking lot. Nearby residents and businesses can expect to see heavy trucks and equipment in the area. There may be some noise related to the use of construction equipment.

Please take care when travelling near work sites.

Work Hours: Fencing work will take place between 7:00 am and 5:00 pm, weather permitting.

Contact: For more information about Finch West LRT project, please contact the Metrolinx Finch West LRT Community Relations Team at 416-202-6500 or email finchwest@metrolinx.com.
