

# FINCH WEST LRT – Transforming Transit in Your Area

## Construction Notice

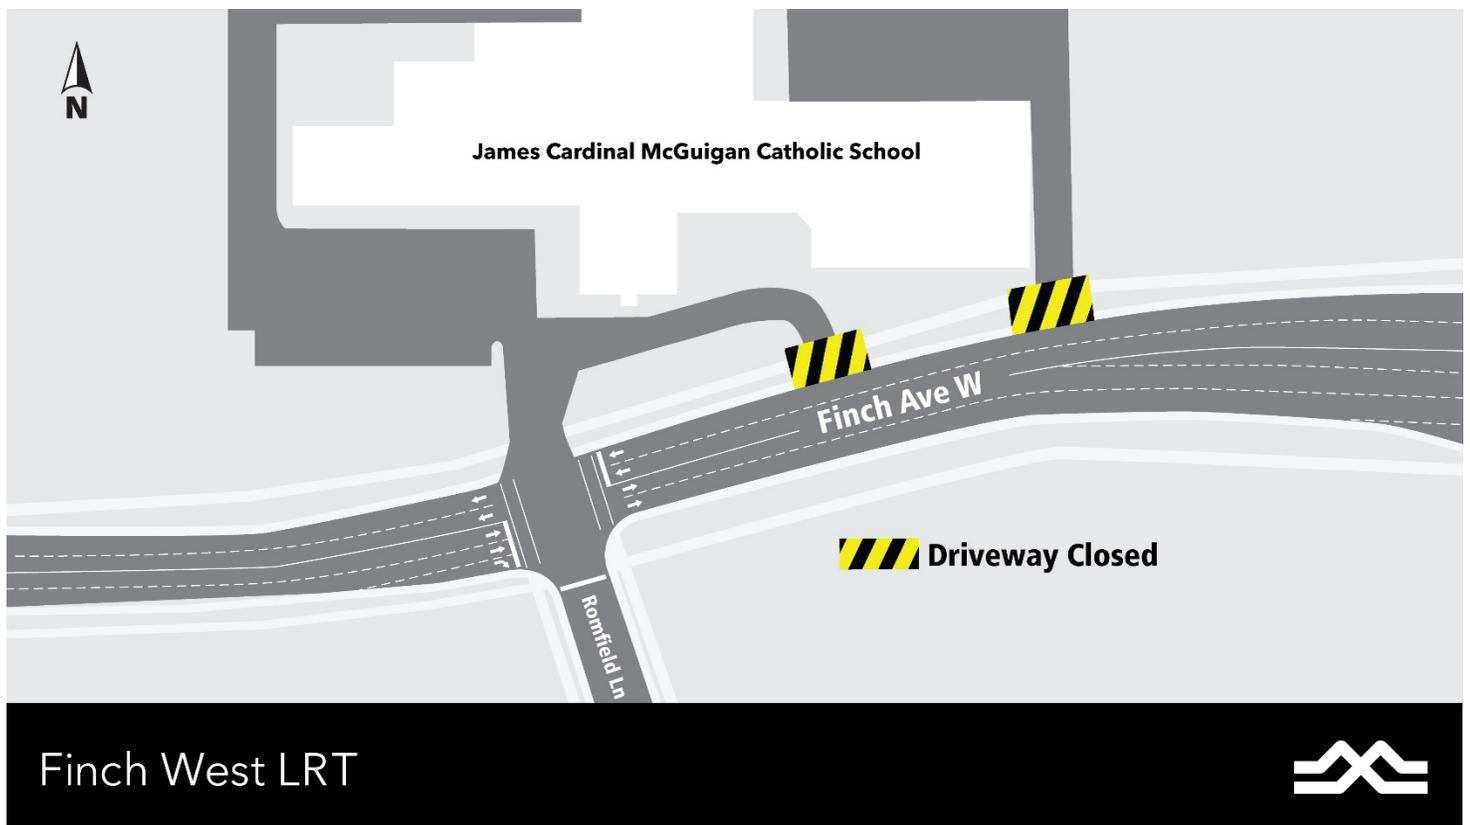

Information as of May 14, 2020

### What is the Finch West Light Rail Transit (LRT)?

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at the TTC Finch West Subway Station. A below-grade terminal stop at Humber College will connect to other local transit services like GO, Miway, Viva, and Züm. The Finch West LRT will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto.

## Driveway Access Restrictions James Cardinal McGuigan Catholic High School

As part of the Finch West LRT Project, drilling activity is ongoing on the north side of Finch Ave. W. from Romfield Ln. to Keele St. For safety reasons, two of the three driveways that provide access to the James Cardinal McGuigan Catholic High School have been closed since May 1, 2020. They will remain closed until the end of May 2020.

### What to Expect:

- The two driveways closer to Keele St. will be closed until the end of May 2020.
- The driveway at the traffic lights, located in front of Romfield Ln., will remain open during this time.
- Please be aware that the sidewalk on the north side of Finch Ave. W. from Romfield Ln. to Keele St. remains closed for safety reasons.
- Please be careful when navigating near construction zones.
- Thank you for your patience during this time.
