

UPDATED: Traffic Configuration for Utility Work York Gate Blvd. and Finch Ave. W. Stage 2B

Ongoing until Mid- November 2020

What?

As part of preparatory works for the Finch West LRT line, crews have been installing a new sanitary sewer, storm sewer and watermain in the York Gate Blvd Stage 2B of this work started in August 2020 and will continue until mid-November, 2020.

To minimize traffic congestion during the various stages of construction, the crew has been reconfiguring traffic as needed at York Gate Blvd. and Finch Ave. W.

See maps above for traffic, transit, and pedestrian changes to expect during Stage 2B. Details for the next stage (stage 2C) will be shared soon.

WORKS:

- The crew is digging trenches and installing storm sewer pipes in the vicinity of York Gate Blvd. and Finch Ave. W.
- Then, the City of Toronto will conduct pressure testing, cleaning, and inspection of the new pipes prior to final connections; they will leave behind the existing pipes.
- Last, the crew will backfill, regrade, and pave the excavated area.

WORK HOURS:

- Monday to Friday **during the day and night**
- Regular and extended work hours. Extended work hours will be from 6 pm to 7 am, approximately.
- Work may be rescheduled due to weather conditions or unforeseen circumstances

WHAT TO EXPECT

- There will be water shut offs or lower than usual water pressure. If any, affected properties will be notified separately, in advance.
- Heavy trucks and equipment in the area.

- Due to the nature of the work, at times there will be dust, noise and vibration associated with this work.
- Noise and vibration monitors will be installed.
- Water will be applied as a dust suppressant as necessary
- Expect traffic delays near work zones.

TRAFFIC DETAILS (SEE MAPS):

- Lane closures are required to safely conduct the work.
- At least one lane in each direction will be maintained.
- Access to businesses will be maintained, unless otherwise communicated.
- Please allow extra time for your journey.

PEDESTRIAN AND TRANSIT DETAILS (SEE MAPS)

- Pedestrian access will be maintained.
- Please take extra care when navigating near work zones, and always make eye contact with the driver.
- TTC bus stops will be closed or relocated away from work zones, as needed.
- Relocation of bus stops is done in consultation with TTC.
- Access to TTC will be maintained at all times.
- Please visit www.ttc.ca for more information
