

TRANSFORMING TRANSIT IN YOUR AREA

FINCH WEST LIGHT RAIL TRANSIT (LRT)

Information as of July 2018

CLOSURE: Lindy Lou Park Access Trail from Finch Ave. July 23 to end of August 2018

The Finch West Light Rail Transit (LRT) is an 11km LRT running along Finch Avenue West between Keele Street and Humber College. The Finch West LRT will increase capacity and reliability of service along the route, while significantly reducing travel times for transit users on the corridor.

What: As part of the project, Enbridge is required to install a natural gas line across Lindy Lou Park on the south side of Finch Ave. W. Lindy Lou Park remains open with access via the east entrance throughout the duration of the work. However, the west entrance to the park from Finch Ave. W. will be closed temporarily. In total, this work is expected to last approximately six (6) weeks.

When: Starting approximately July 23, 2018 to the end of August 2018, the west access to the trail will be closed for approximately six (6) weeks.

Why: To facilitate construction of the new Finch West LRT, Enbridge must move natural gas pipelines from the centre of the roadway to the south side of Finch Ave. West.

Where: The work will take place at Lindy Lou Park on the south side of Finch Ave. West.

Pedestrian and Traffic Details: The east access of the trail will remain open to allow access to Lindy Lou Park from Finch Ave W.

Work Hours

Most of the work takes place between 7:00 a.m. and 7:00 p.m., Monday to Friday, but some late night and/or early morning work may be required.
