

# TRANSFORMING TRANSIT IN YOUR AREA

## FINCH WEST LIGHT RAIL TRANSIT (LRT)

Information as of June 2018

### Natural Gas Line Relocation for the Finch West Light Rail Transit (LRT) Finch Ave. West and Jayzel Dr. Closure

The Finch West Light Rail Transit (LRT) is an 11km LRT running along Finch Avenue West between Keele Street and Humber College. The Finch West LRT will increase capacity and reliability of service along the route, while significantly reducing travel times for transit users on the corridor.

**What:** As part of the project, Enbridge will be required to install a natural gas line across Jayzel Dr. on the south side of Finch Ave. W. As a result, access to Jayzel Dr. from Finch Ave. W. will be closed for approximately three weeks. Access to Jayzel Dr. and Lindylou Rd. will still be available via Rumike Rd.

**When:** The work is anticipated to begin approximately July 8<sup>th</sup> until approximately July 20<sup>th</sup>.

**Why:** As part of the construction of the new Finch West LRT, Enbridge must move natural gas pipelines from the centre of the roadway to the south side of Finch Ave. West.

**Where:** The work will take place on Jayzel Dr. on the south side of Finch Ave. West.

**Pedestrian and Traffic Details**

A pedestrian walkway allowing travel between the north and south side of Finch Ave. W and Jayzel Dr. is available.

**Work Hours**

Most of the work takes place between 7:00 a.m. and 7:00 p.m., Monday to Friday, but some late night and/or early morning work may be required.

**Contact**

For more information about this gas line relocation work, please contact Enbridge at 416-495-4809 or [enbridgegasmedia@enbridge.com](mailto:enbridgegasmedia@enbridge.com).
