

TRANSFORMING TRANSIT IN YOUR AREA

FINCH WEST LIGHT RAIL TRANSIT (LRT)

Information as of November 2018

Short-term Lane Closures along Finch Ave.W. from Signet Dr. to Keele St. September 24 until April 2019

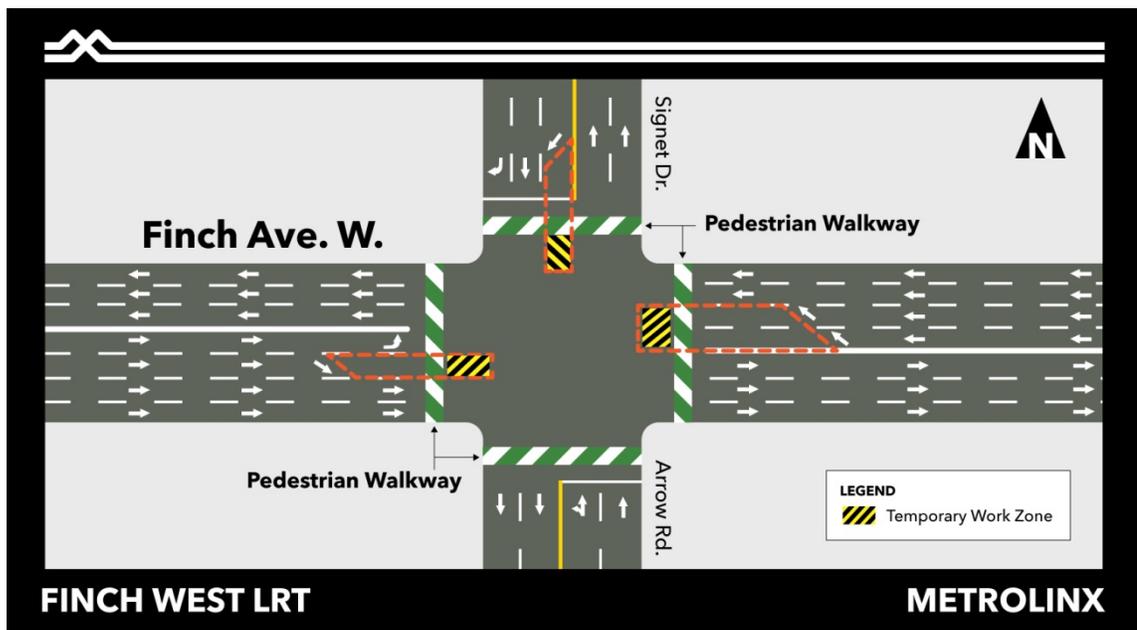

The Finch West Light Rail Transit (LRT) is an 11km LRT running along Finch Avenue West between Keele Street and Humber College. The Finch West LRT will increase capacity and reliability of service along the route, while significantly reducing travel times for transit users on the corridor.

What: Construction crews will be in the public right-of-way along Finch Ave. W., drilling bore holes and using a hydro-vacuum truck to locate underground utilities and inspect ground conditions at intersections along the Finch West corridor.

When: Work is expected to start on September 24, 2018 and continue throughout April 2019. Some work may be rescheduled due to weather conditions or unforeseen circumstances.

Why: To prepare for construction of the new Finch West LRT, construction crews must identify the location and condition of underground utilities and soil quality.

Where: Work will begin on Finch Avenue at Signet Drive and continue westward to Keele Street.

Pedestrian and Traffic Details:

Intermittent lane closures and changes to pedestrian crossing may be in effect. To maintain public safety, paid duty officers will be at the intersections where work is taking place. Pedestrian and driveway access will be maintained. Nearby residents and businesses can expect to see heavy trucks and equipment in the area as the construction crews move from one test hole to the next. There may be some noise related to the use of a saw cutter, hydro-vacuum truck, drill, and other construction equipment. Please take care when travelling near work sites.

Work Hours: Most of the work will take place between 7:00 a.m. and 11:00 p.m., Monday to Friday.

Contact: For more information about utility and soil condition investigations on the Finch West LRT project, please contact the Metrolinx Finch West LRT Community Relations Team at 416-202-6500 or email finchwest@metrolinx.com.
