

FINCH WEST LRT – Transforming Transit in Your Area

Construction Notice

Information as of June 5, 2020

What is the Finch West Light Rail Transit (LRT)?

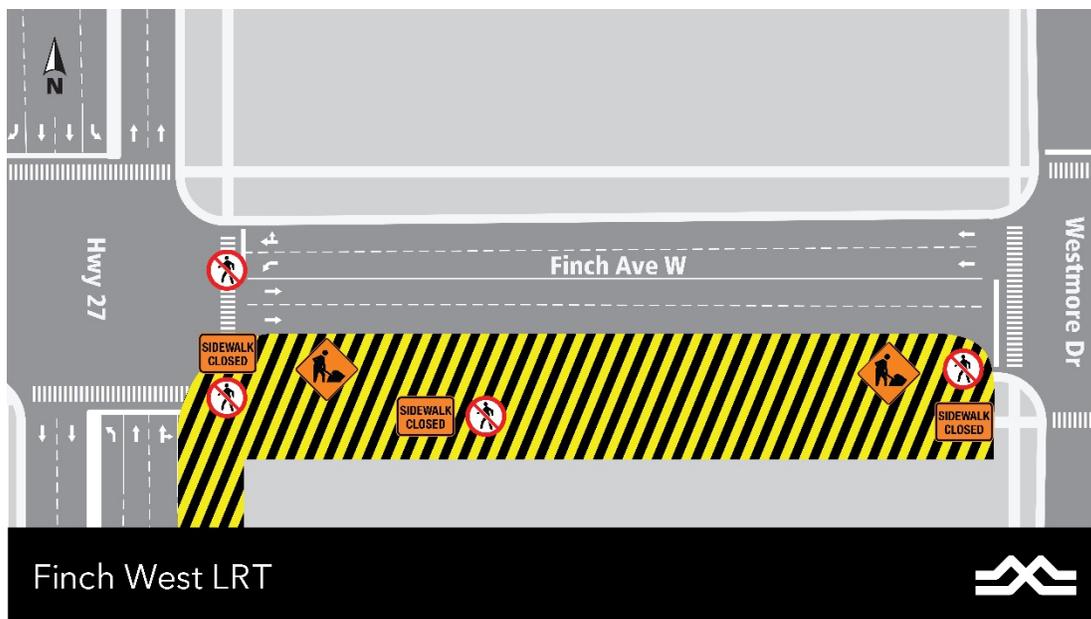

The Finch West LRT is a light rail transit project that will bring 11 kilometres of modern, reliable rapid transit to northwest Toronto. It will have 18 stops, including 16 surface stops, plus an underground interchange station at TTC Finch West Subway Station. A below-grade terminal stop at Humber College will connect to other local transit services like GO, MiWay, Viva, and Züm. The Finch West LRT will provide rapid transit for the Jamestown, Rexdale and Black Creek neighbourhoods, as well as vital connections between communities and supporting growth in northwest Toronto.

UPDATE

Lane Closure at Finch Ave W at Hwy 27 May 18 - to mid-July

What: As part of the Finch West Light Rail Transit (LRT) project, crews continue watermain installation in the Finch Ave. W. and Hwy. 27 area. The new watermain pipes will replace two old ones, which will be removed to create space for the LRT portal.

Work began in late February 2020 and will be ongoing until mid-July 2020. In order to get a valve chamber installed as part of this work, the designated right turn lane from Hwy. 27 to Finch Ave. W. along with the sidewalk on the south side of Finch Ave. W. from Hwy.27 to Westmore D. will remain closed until mid-July, approximately.

Hours of Work:

- The closures will be in place until mid-July 2020, approximately.
- Work and related closures may be delayed due to weather conditions or unforeseen circumstances.

What to Expect:

- Heavy trucks and equipment will be active in the area.
- Expect noise from asphalt removal, excavation, and asphalt replacement.
- Please take care when navigating near work sites.

Traffic and Pedestrian Impacts:

- Eastbound curb lane from Hwy. 27 to Westmore Dr. has been re-opened.
- Sidewalk on the south side of Finch Ave. W. will remain closed.
- Designated right turn lane from Hwy. 27 to Finch Ave. W. will remain closed. Right turns will be allowed from the centre line.
