

TRANSFORMING TRANSIT IN YOUR AREA

HURONTARIO LIGHT RAIL TRANSIT

Information as of April, 2019

Bell: Telecom Network Relocation

Beginning May, 2019

What is the Hurontario Light Rail Transit Project?

The Hurontario LRT will be an 18-kilometre, 19-stop light rail service connecting people from the Port Credit GO station to the Brampton Gateway Terminal. The Hurontario LRT will connect with the Port Credit and Cooksville GO stations, Mississauga Transitway, MiWay and Züm transit lines.

What work is taking place?

To accommodate the construction of the Hurontario LRT, Bell is required to move fibre and coaxial network lines.

These cables are integral to the networks feeding your area and must be re-routed to ensure continued high quality reliable service.

Timing

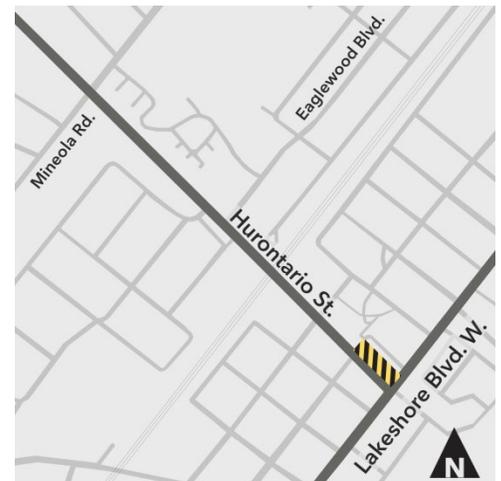

- Work is scheduled to start in May, 2019 and will last for approximately two weeks.
- Work will occur between 7 a.m. and 7 p.m.
- Work could be rescheduled due to weather conditions or any unforeseen circumstances.

What to Expect

- Every effort will be made to minimize disruption.
- Access to properties will be maintained at all times through at least one driveway.
- Residents and businesses near the work site can expect to hear noise caused by trucks, mini excavator and other construction equipment related to this work.

Traffic Details

- During construction hours, lane reductions will be required at the intersection of Hurontario Street and High Street East. At a minimum, one north and southbound lane will be maintained at all times.
- Traffic delays are expected. Please plan accordingly.

...2

Transit Details

- Due to lane reductions along Hurontario Street at High Street East and Lakeshore Boulevard West, delays can be expected on MiWay Routes 8, 19, 23 and 103.

Pedestrian Details

- Please take care when travelling near construction areas. Watch for additional signs directing pedestrians as detours may be required.
- Sidewalk access in the area could be affected. Please watch for signage directing pedestrian traffic.

Property Details

- Please ensure any personal belongings, such as signs, benches and underground sprinklers on city owned land have been relocated prior to the beginning of construction.
- For details on your property boundaries, please refer to your land survey, or consult an Ontario Land Surveyor.
