

# Median Removals on Hurontario Street from Derrycrest Drive to Bartley Bull Parkway

Beginning Late August 2020

## What work is taking place?

To prepare for the construction of Hurontario LRT, crews will remove existing medians along Hurontario Street, between Derrycrest Drive and Bartley Bull Parkway. This work will require the removal of trees located within the median (407 North ramp to Ray Lawson Boulevard and Sir Lou Drive to Bartley Bull Parkway). The removal and replacement of trees will follow all City of Brampton guidelines.

Metrolinx and Mobilinx are committed to minimizing environmental pollution during construction through the use of policies and practices consistent with the Ministry of Environment, Conservation and Parks guidelines.

Once medians have been removed, the area will be converted to roadway, reducing the amount of lane reductions required during major construction.

### TIMING

- Work is scheduled to start in late August 2020 and will be completed in approximately one and a half months.
- Work will occur between 7 a.m. and 7 p.m., Monday to Friday.
- Some night and weekend work may be required.
- Work could be rescheduled and delayed due to weather conditions or unforeseen circumstances.

### WHAT TO EXPECT?

- Every effort will be made to minimize disruptions.
- Access to properties will always be maintained through at least one driveway.
- Residents and businesses near the work site can expect to hear noise caused by trucks, excavators, backhoes, and other construction equipment related to this work.

### TRAFFIC DETAILS

- Lane reductions will be required on Hurontario Street between Kingsway Drive and Bartley Bull Parkway.
- Traffic delays are expected.

### TRANSIT DETAILS

- MiWay, GO Transit and Brampton Transit will continue to operate with regular service.
- Due to lane reductions along Hurontario Street, delays can be expected on Brampton Transit routes 2, 54, 56 & 502 and MiWay route 103.
- Potential minor delays to other routes at Gateway Terminal can also be expected.

### PEDESTRIAN DETAILS

- Please take care when travelling near construction areas.
- There will be no impact on sidewalks during this construction.

### PROPERTY DETAILS

- Please ensure any personal belongings, such as signs, benches and underground sprinklers on city owned land have been relocated prior to the beginning of construction.
- For details on your property boundaries, please refer to your land survey, or consult an Ontario Land Surveyor.
