

# TRANSFORMING TRANSIT IN YOUR AREA

## HURONTARIO LIGHT RAIL TRANSIT

Information as of November, 2018

### Enbridge Gas Distribution Line Relocation for Shepard Avenue

Beginning Late November 2018

#### What is the Hurontario Light Rail Transit project?

The Hurontario LRT will be a 20-kilometre, 22-stop light rail service connecting people from the Port Credit GO station to the Brampton Gateway Terminal. The Hurontario LRT will connect with the Port Credit and Cooksville GO stations, Mississauga Transitway, MiWay and Züm transit lines.

#### What work is taking place?

To accommodate the construction of the Hurontario LRT, Enbridge Gas Distribution (Enbridge) is required to relocate a gas line at the intersection of **Shepard Avenue** and **King Street East**.

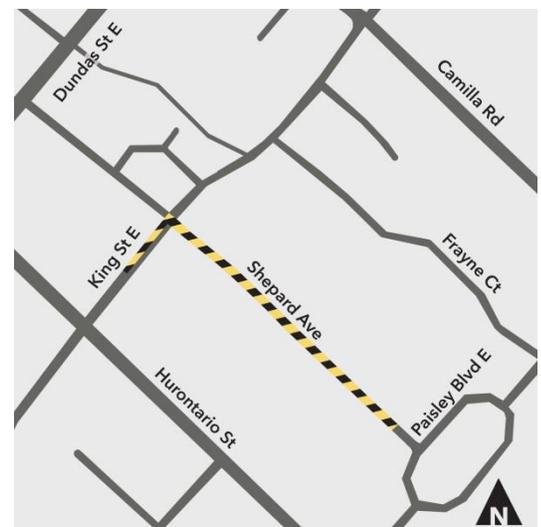

These pipelines are integral to Enbridge’s gas system and must be re-routed to ensure the safe and reliable delivery of natural gas to customers in the Greater Toronto Area.

#### Timing

- Work will start late November 2018 and will last for approximately 4 weeks.
- Work will occur between 8:00 A.M. and 7:00 P.M., Monday to Friday.
- Work could be rescheduled due to weather conditions or any unforeseen circumstances.

#### What to Expect

- Every effort will be made to minimize disruption.
- Residents and businesses near the work site can expect to hear noise caused by trucks, excavators, backhoes, and other construction equipment related to this work.

**Note: at no time will all lanes be closed.**

#### Traffic Details

- During construction hours, lane reductions may be required on King Street East and Shepard Avenue.
- Due to the current volume of traffic in this area, traffic delays are expected during construction.
- Property access will be maintained.
- Impacted transit stops will be temporarily relocated to accessible locations.

...2

### **Transit Details**

- Due to lane reductions along King Street East and Shepard Avenue, delays can be expected on MiWay Route 4 - Sherway Gardens.

### **Pedestrian Details**

- Please take care when travelling near construction areas. Watch for additional signs directing pedestrians as detours may be required.
- Sidewalk access in the area could be affected. Please watch for signage directing pedestrian traffic.

### **Property Details**

- Please ensure any personal belongings, such as signs, benches and underground sprinklers on city owned land have been relocated prior to the beginning of construction.
- For details on your property boundaries, please refer to your land survey, or consult an Ontario Land Surveyor.
