### Enbridge Gas Distribution Line Relocation for Robert Speck Parkway

Beginning June 2018

#### What is the Hurontario Light Rail Transit project?

The Hurontario LRT will be a 20-kilometre, 22-stop light rail service connecting people from the Port Credit GO station to the Brampton Gateway Terminal. The Hurontario LRT will connect with the Port Credit and Cooksville GO stations, Mississauga Transitway, MiWay and Züm transit lines.

#### What work is taking place?

To accommodate the construction of the Hurontario LRT, Enbridge Gas Distribution (Enbridge) is required to relocate a natural gas line at the intersection of **Hurontario Street** and **Robert Speck Parkway**.

These pipelines are integral to Enbridge's gas system and must be re-routed to ensure the safe and reliable delivery of natural gas to customers in the Greater Toronto Area.

- Work will start at the end of June 2018 and will last approximately three weeks.
- Work will occur between 7:00 A.M. and 5:00 P.M., Monday to Friday.
- Work could be rescheduled due to weather conditions or any unforeseen circumstances.

#### What to Expect

- Every effort will be made to minimize disruption.
- Residents and businesses near the work site can expect to hear noise caused by trucks, excavators, backhoes, and other construction equipment related to this work.
