

# TRANSFORMING TRANSIT IN YOUR AREA

## HURONTARIO LIGHT RAIL TRANSIT

Information as of April 2019

### UPDATED - Network Infrastructure Relocation

Beginning May 2019

#### What is the Hurontario Light Rail Transit project?

The Hurontario LRT will be an 18-kilometre, 19-stop light rail service connecting people from the Port Credit GO station to the Brampton Gateway Terminal. The Hurontario LRT will connect with the Port Credit and Cooksville GO stations, Mississauga Transitway, MiWay and Züm transit lines.

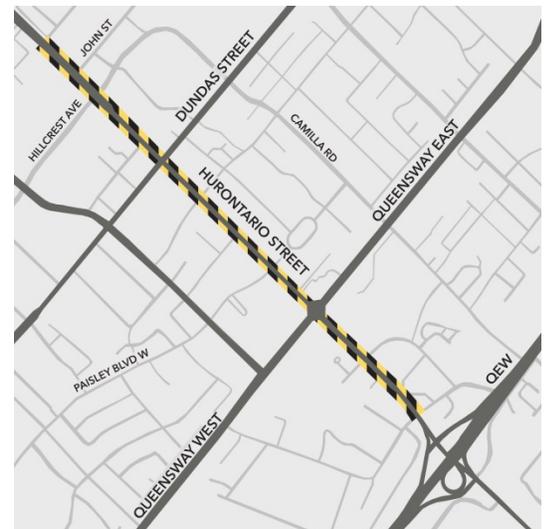

#### What work is taking place?

To accommodate the construction of the Hurontario LRT, Bell, Rogers, PSN, Cogeco and Telus are required to move fibre and coaxial network lines along **Hurontario Street** between **Fairview Road** and **Queen Elizabeth Way (QEW)**.

These cables are integral to the networks feeding your area and must be re-routed to ensure continued high quality reliable service

#### Timing

- Work will start in May 2019 and last until February 2020.
- Majority of work will occur between 7:00 A.M. and 7:00 P.M., Monday - Friday.
- Some night and weekend work will be required.
- Work could be rescheduled due to weather conditions or any unforeseen circumstances.

**Note: at no time will all lanes be closed.**

#### What to Expect

- Every effort will be made to minimize disruption.
- **Majority of work will occur within manholes as contractors pull network cables.**
- **On occasion, workers may encounter an issue that requires open excavation; these works are expected to last under a week per incident.**
- Every effort will be made to minimize disruption.
- Very few lane closures will be required.
- Residents and businesses near the work site can expect to hear noise caused by trucks, generators and other construction equipment related to this work.

...2

### **Traffic Details**

- During construction hours, short-term lane reductions will be required along Hurontario Street. At a minimum, one northbound and southbound lane will be maintained at all times.
- Traffic delays are expected. Please plan accordingly.
- Property access will be maintained.

### **Transit Details**

- Due to intermittent lane reductions along Hurontario Street between Fairview Road and the Queen Elizabeth Way (QEW), delays can be expected on Routes 8, 19 and 103.

### **Pedestrian Details**

- Please take care when travelling near construction areas. Watch for additional signs directing pedestrians as detours may be required.
- Sidewalk access in the area could be affected. Please watch for signage directing pedestrian traffic.

### **Property Details**

- Please ensure any personal belongings, such as signs, benches and underground sprinklers on city owned land have been relocated prior to the beginning of construction.
- For details on your property boundaries, please refer to your land survey, or consult an Ontario Land Surveyor.

**For more information about the telco cable relocation, please contact the Hurontario LRT Community Relations staff by phone [416-202-7500](tel:416-202-7500) or email [hurontariolrt@metrolinx.com](mailto:hurontariolrt@metrolinx.com).**
