

# Kiss and Ride Changes

## Starting September 18, 2020

Starting at 6:30 p.m. on Friday, September 18, the temporary Kiss and Ride (TTC passenger pick-up and drop-off) along Aukland Road will be closed to build the new parking lot northeast of the new bus terminal, new permanent Kiss and Ride and taxi areas.

### WHAT DOES THIS MEAN FOR YOU

There will be changes to how you access the station during construction:

- Use the paid TTC south parking lot via Munster Avenue to access the train platform and GO Station building
- There is no elevator access to the north or the south side of the station. If you require the use of an elevator, please use Dixie GO Station.

Pedestrian access will continue to be available on Aukland Road from Dundas Street West. These changes are expected to be in place until later this year. Please look for signs to direct you where you need to go.

All dates are subject to change and will be communicated accordingly. We apologize for the inconvenience and thank you for your continued patience.
