

TRANSFORMING TRANSIT IN YOUR AREA

Information as of February 14, 2020

Pedestrian Crossing Gate Arm Installation at Havendale Rd. & Huntingwood Dr. February to March 2020

Metrolinx is working to transform the way the region moves by building a seamless, convenient and integrated transit network across the Greater Golden Horseshoe Area. Metrolinx is transforming the existing GO rail system to deliver a whole new rapid transit experience to your community. With more frequent train service you'll have more options to get you where you need to go.

PEDESTRIAN CROSSING GATE ARM INSTALLATION

For added safety, Metrolinx will be installing pedestrian crossing gate arms at **Havendale Road and Huntingwood Drive** (four new pedestrian gates at each location). These pedestrian safety enhancements are intended to work together with the existing railway signals, vehicular crossing arms and the newly installed pedestrian maze barriers to bring greater community awareness to the railway road crossings.

WHAT TO EXPECT

Starting **as early as February 17, 2020**, installation of pedestrian crossing gate arms will begin. There will be temporary sidewalk closures, as required, to safely install the pedestrian crossing gate arms. You may notice short-term temporary disruptions to regular vehicular and pedestrian traffic flows as construction takes place. Please be assured that these temporary disruptions are being managed to cause the least amount of inconvenience.

Work Will Include:

- Increased volume of light duty construction vehicles parking along Havendale Rd. and the surrounding side streets.
- Increased volume of light duty construction vehicles parking along Huntingwood Dr.
- Introduction of new railway crossing warning devices (at both Havendale Rd. and Huntingwood Dr.), designed for the enhanced protection of pedestrian traffic.

Daytime Work - 9:00 AM to 5:00 PM

- Monday, February 17 - Friday, February 21, 2020
- Tuesday, February 25 - Thursday, February 27, 2020

Nighttime Work (mainly testing) - 9:00 PM to 5:00 AM

- Monday, February 24, 2020

Weekend Work

- Please note that continuous work is required from Friday, February 28, 2020 starting at 11:00 PM through to Sunday, March 1, 2020 at 11:00 AM.

CONTACT US: Should you have any questions, please contact us at TorontoEast@metrolinx.com.

VISIT US: Stouffville Community Office | 4142 Sheppard Avenue East, Scarborough [Steps away from Agincourt GO Station]. To schedule an appointment, please contact us at TorontoEast@metrolinx.com.

We apologize for the inconvenience and thank you for your continued patience. Due to the nature of construction, all dates are tentative and subject to change and will be communicated accordingly.
