

## CROR Qualified PTS Process

This process is intended to allow workers of companies on Metrolinx prequalified Track Protection Services list to achieve their PTS card by completing the Final Assessment. A list of prequalified providers is available at the end of the form.

The process will require anyone meeting the above requirements to successfully complete the Final Assessment with a minimum score of 80%. All materials will be shared with participants to ensure they have all the information required to complete the Final Assessment.
