

METROLINX

An agency of the Government of Ontario

Public Meeting Notice

Davenport Diamond Grade Separation

Metrolinx, an agency of the Province of Ontario, is working to transform the way the region moves. As part of plans to use GO rail corridors as the backbone of an electrified rapid transit network that connects communities and people through a reliable, frequent rail and light rail service, we are looking at ways to remove the Davenport Diamond rail-to-rail crossing to increase reliability and safety.

The Project

As a unique piece of rail infrastructure, options to remove the crossing have been reviewed and previous meetings have focused on the feasibility and community impacts from the reviewed options. Over the past year, meetings were held to assist in improving the design with continued input from the community.

Come and Learn More

As part of the Transit Project Assessment Process initiated on January 28, 2016, this meeting will include a presentation of the results of the environmental studies. This meeting will also give the community an opportunity to ask more questions in advance of the start of the formal 30-day public consultation period.

Date: Wednesday, April 27, 2016

Time: 6:30 p.m. – 8:30 p.m.

Location: St. Sebastian Elementary School
717 Brock Avenue
Toronto, ON M6H 3P1

** This location is accessible.*

Stay Connected

All comments and feedback received will be documented and will help inform the Transit Project Assessment Process and the Environmental Project Report that will be submitted to the Minister of Environment and Climate Change. Stay up to date on the project by connecting with Metrolinx by:

- Visiting metrolinx.com/RERDavenport
- Contacting us at RERDavenport@metrolinx.com and signing up for the electronic project newsletter
