

TRANSFORMING TRANSIT IN YOUR AREA

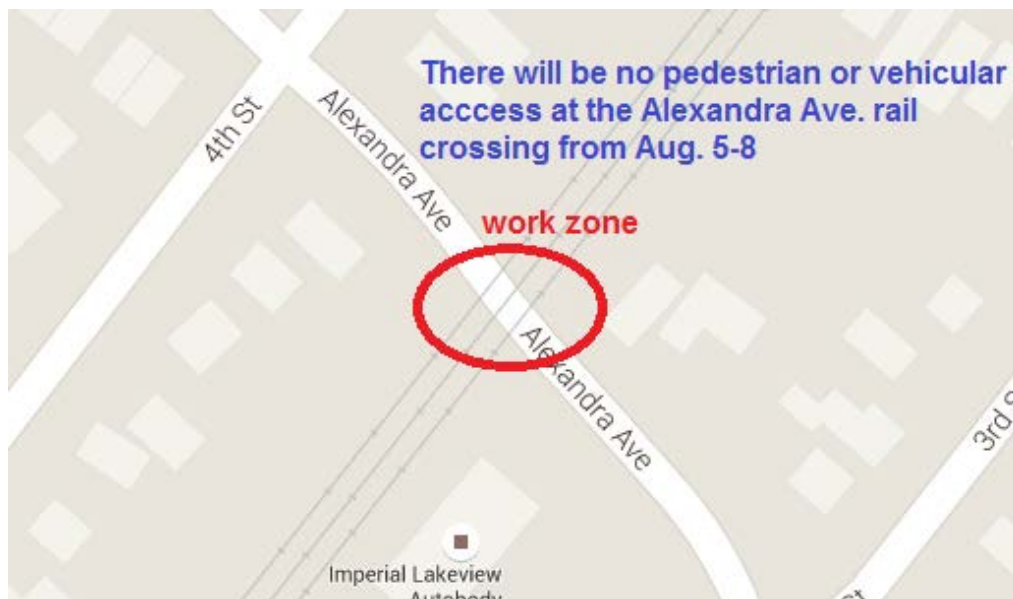

Alexandra Avenue Crossing Rehabilitation Lakeview Community

JULY 2016

Metrolinx, an agency of the Province of Ontario, is working to transform the way the region moves by building a seamless, convenient and integrated transit network across the Greater Toronto and Hamilton Area (GTHA). Over the next ten years, Metrolinx is transforming the existing GO rail system to be the foundation of a whole new rapid transit for your community. With more frequent train service you'll have more options to get you where you need to go.

THE LOCAL PROJECT

As part of regular maintenance on our corridors, we are rehabilitating the crossing at Alexandra Ave. and the Lakeshore West corridor from August 5 to August 8.

WHAT TO EXPECT

The work will include removal and re-installation of new track and the resurfacing of the crossing at Alexandra Ave. Specialized rail equipment will be used and residents should expect some noise and vibration associated with the work. We will ensure any lights are directed away from homes when possible. There will be a full road closure of Alexandra Ave. at the crossing on Friday, August 5 from 8:00 p.m. until Monday, August 8, 4:00 a.m. **Pedestrians and vehicles are encouraged to use Ogden Ave., located just east of Alexandra Ave. as an alternative route while this work is completed.**

TIMING

The work will occur continuously, starting at 8:00 p.m. on Friday, August 5 until 4:00 a.m. on Monday, August 8. We understand overnight construction can be disruptive. As we are completing this work in an active rail corridor, for safety, it can only be completed outside of regular train operating hours when there is minimal train activity.

Metrolinx is committed to keeping local residents and businesses informed about construction activities and minimizing potential disruptions related to this work. If you have any questions about this work please call Jennifer at 416-202-4732.

STAY CONNECTED

If you have any questions or would like to be added to our distribution list to receive updates, please contact us at Jennifer.capan@gotransit.com or 416-202-4732. You can also follow us on Twitter @metrolinx or visit us at metrolinx.com.
