

**MINISTER'S NOTICE TO  
PROCEED WITH TRANSIT PROJECT**

**Ontario Regulation 231/08**

**SUBSECTION 12(1)(a)**

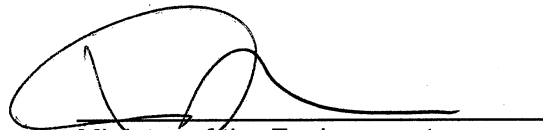

RE: Proponent: Metrolinx

Project Description: The project consists of grade separating of the Davenport Diamond within the GO Barrie Corridor in close proximity with Davenport Road. The grade separation will eliminate the Davenport Diamond where Canadian Pacific (CP) freight trains (east-west) and GO trains (north-south) intersect.

In accordance with subsection 12(1)(a) of Ontario Regulation 231/08, I hereby give notice allowing Metrolinx to proceed with the Davenport Diamond Rail Grade Separation in accordance with the applicable environmental project report.

Metrolinx is now permitted to issue a statement of completion of the transit project assessment process. A statement of completion is the final part of the transit project assessment process. The process must be completed prior to the start of the construction phase of the project.

Dated the 29<sup>th</sup> day of July, 2016 at TORONTO.

Minister of the Environment  
and Climate Change
