

The GO Expansion program will provide a range of improvements across the GTHA:

More All-Day Service

Service in Both Directions

Trains at least every 15 minutes

Faster and More Efficient Fleet

More Accessible Stations

An Expanded Union Station

Over 6,000 services per week

Trains that are up to 30% faster and up to 50% cheaper per train km to operate

Improvements to stations access and boarding and alighting

Capacity for train and passenger movements for the rest of the century
