

METROLINX

Provincial Framework for New Transit Project Implementation

Staff Presentation to Metrolinx Board
July 13, 2009

Project implementation critical path

New provincial framework principles

- ❑ Provincial/Metrolinx control of regional transit projects
- ❑ Metrolinx commitment to partnership, cooperation and coordination
- ❑ Metrolinx responsibility for project scope, budget and timing
- ❑ A customer-focused and rider-oriented approach
- ❑ Clear project governance and role for Infrastructure Ontario
