Hi

I live in one of the many condos in the Park Lawn/Lakeshore area and our closest Go station is Mimico which is a 25 min walk or a 7 min drive. Unfortunately, there is no parking available at the station as most of the parking spaces are reserved.

Adding a new station at Park Lawn in conjunction with a TTC hub would go a long way to relieve extreme traffic congestion in the area and would provide convenient transit for the thousands of commuters that live in the area condominiums.

I understand that Park Lawn was not selected as a new station in the recent report but I, and many other area residents, would like you to re-consider that decision.

Regards

Malcolm Slater
