I live in the Don Valley West (Leaside) community and am opposed to the plan by Metrolinx to build a Train Yard in Thorncliffe Park. This is environmental racism at play, as many of the residents are renters, new to our country, and feel that they do not have a voice. Please go back to the drawing table and find an option that doesn't involve building the train yard within 800 meters of 30,000 residents. That is unacceptable. Please hit the pause button and re-evaluate.
