To whom it may concern,

I would like to instruct Metrolinx to hit the pause button on the location of the train yard.

Please stop taking advantage of communities like Thorncliff park, do the right thing, and find another location for the Train yard. This will provide Thorncliffe Park with much needed transit oriented development opportunities that every other (non-minority) communities along the Ontario line is receiving and set Thorncliffe Park up for long-term success.

Thank you.
Joanne
