

Notice of Public Meeting

Update on upcoming improvements to the Barrie rail corridor and construction timing in Zones 4 and 5

Metrolinx GO Expansion

Metrolinx, an agency of the Government of Ontario, is working to bring more transit connections to communities within the Greater Toronto and Hamilton Area through the GO Expansion program. Metrolinx's GO Expansion program will improve train service across the GO network. As part of the program, Metrolinx is planning upgrades to the Barrie rail corridor, which will bring all-day, two-way GO service.

For more information visit metrolinx.com/barrie.

The Project

The planned upgrades to the Barrie rail corridor include a double track. The Barrie Enabling Works Project includes modifications and upgrades to the existing rail corridor to allow a second set of tracks to be installed in the future. The Project Area is within the City of Toronto and is divided into seven zones. Modifications and upgrades will occur between 2020 and 2024, with construction occurring at different times within the zones. Construction is planned to start in Zones 4 and 5 in 2020.

Public Meeting

The purpose of the Open House is to share information with community members in Zones 4 and 5 about the overall Project, construction activities and schedule, and to provide an opportunity to ask questions. Metrolinx staff will be present to answer your questions.

We invite you to join us in person to find out more:

- Date:** Tuesday, November 12, 2019
- Time:** 6:30 p.m. – 8:30 p.m.
- Location:** Charles E Webster Public School
1900 Keele St, York, ON M6L 2H8

If you have any questions or would like to be added to our distribution list to receive future updates about the project, please e-mail TorontoWest@metrolinx.com.
