

Bloor Street West Closures for Bridge Demolition

November 27 to 30, 2020 (Overnight)

What work is taking place?

The west half of the bridge that spans over Bloor Street West at the GO rail tracks between Lansdowne and Symington avenues is being demolished. The east half of the bridge will remain to allow Barrie GO service to continue. **Bloor Street West will be fully closed from 6 p.m. to 6 a.m. on both Saturday, November 28 and Sunday, November 29.**

When

The work is scheduled to take place from Friday, November 27 at 11:59 p.m. to Monday, November 30 at 6 a.m. continuously during the day and night.

Where

The work will take place at the bridge that spans Bloor Street West at the GO rail tracks, between Lansdowne and Symington avenues. The work will be carried out directly on and under the bridge.

Hours

Friday, November 27 from 11:59 p.m. to Monday, November 30 at 6 a.m. with work occurring all three nights.

**Please note these dates and times are approximate, and work could be rescheduled. For updated dates and times, please visit our website at www.metrolinx.com/davenport.*

What to expect

Closures on Bloor Street West between St. Helens Avenue and Ruttan Street will be as follows:

- Saturday, November 28 daytime - alternating lane and sidewalk closures.
- Saturday, November 28 (6 p.m.) to Sunday, November 29 (6 a.m.) - ***Full closure of Bloor Street West.**
- Sunday, November 29 daytime - alternating lane and sidewalk closures.
- Sunday, November 29 (6 p.m.) to Monday, November 30 (6 a.m.) - ***Full closure of Bloor Street West.**

***Full closure of Bloor Street West:** There will be no motorist, cyclist, or pedestrian access. Detours will be in place via Lansdowne and Symington avenues, and across Dupont St. Through-traffic under the bridge is prohibited. Closure and detour signage will be in place.

For alternating lane and sidewalk closures, traffic will remain as one lane in each direction, however motorists and cyclists must share the lane.
